# Indian Institute of Technology Hyderabad Department of Chemical Engineering M.Tech Admission Brochure

Kandi, Sangareddy 502 285  
Telangana, INDIA

M.Tech. programs offered by the department is based on the credit system, and provide a student with wide choice of courses. The program comprises of several core and elective courses, and project work.

The department appoints a faculty adviser to help the students in the choice of elective courses.

Students may be permitted to do their project work in industries and other approved organizations.

Students are also encouraged to participate in the research and development projects undertaken by the faculty.

## Sponsored M.Tech

Sponsored 3 year M.Tech program is offered in the following categories

### i) Industry sponsored or Research Laboratories

This category is open to candidates working in National research laboratories (eg. DRDO, ISRO, CSIR) or private/public sector companies. For this category of admission minimum two years of work experience is mandatory.

ii) College teachers can apply under this category provided they have two years of teaching experience in any recognized technical/higher educational institute.

## Sponsored M.Tech

iii) IITH project sponsored  
Under this category candidates will be given financial assistance from funded projects at IITH. However, once selected the candidates will have to work on the project under which they are selected. Here, experience is not required.

Selection procedure: Selection under this category will be based on interview / written test. Valid GATE score is desirable but not essential.

## Financial Assistance

Categories i) and ii): financial assistance is 'NOT' available for candidates selected under these categories. However, they are eligible to work on a project being carried out at IITH.

## Who can apply?

The candidates with Bachelor's degree in Engineering/Technology can apply under sponsored categories e.g. Industry, Research laboratory and academic institution, IITH project sponsored. The valid GATE score is desirable but not essential.

## How to Apply

### Application fee

The details of application fees and payment mode for SC, ST, and PD candidates are given in admission webportal.

Only online applications will be accepted in this category. Please follow the link <[www.iith.ac.in/mtechadmissions/forms.jsp](http://www.iith.ac.in/mtechadmissions/forms.jsp)> to apply online.
