- The 10-day-long ‘Aadi Mahotsav’, Madhya Pradesh, a festival of tribes has been launched on December 1, 2020.
- Keeping in view of restrictions due to Covid-19, the TRIFED (Tribal Cooperative Marketing Development Federation of India) has decided to organise its annual event Aadi Mahotsav-2020 in an online mode.
- Note: Aadi Mahotsav is a unique celebration of the spirit of tribal crafts, culture, cuisine and commerce. It commenced in 2017.
- It was also announced that the next focus state from the 11th December would be Gujarat, following which the spotlight would shift to Bengal from the 21st December 2020.

The Government of India appointed Varsha Joshi as the new Chairperson of National Dairy Development Board (NDDB)

- She replaces Dilip Rath on completion of his tenure on November 30.
- Joshi is the Joint Secretary (CDD), Department of Animal Husbandry and Dairying, Ministry of Fisheries, Animal Husbandry & Dairying, Government of India.
- Note: The National Dairy Development Board is an institution of national importance set up by an Act of Parliament of India. The main office is in Anand, Gujarat with regional offices throughout the country. It was founded on 16 July 1965.

IAS Utpal Kumar Singh appointed as General Secretary of Lok Sabha

- He is the 1986 batch IAS officer of Uttarakhand cadre and will replace Snehlata Srivastava.
- Note: The post of Lok Sabha General Secretary is equivalent to the rank of Cabinet Minister.

1. Venkaiah Naidu, Vice President of India launches the first ever SCO online exhibition on shared Buddhist Heritage, during the 19th meeting of the SCO Council of Heads of Government
This SCO online International exhibition, first ever of its kind, is developed and curated by National Museum, New Delhi, in active collaboration with SCO member countries.

The exhibition deploys state of the art technologies like 3D scanning, webGL platform, virtual space utilization, innovative curation and narration methodology etc.

Note: The exhibition can be accessed at https://nmvirtual.in/ for worldwide viewing.

Capital infusion into NIIF Infrastructure Debt Financing Platform

The Union Cabinet has given its approval to the proposal for equity infusion by Government of Rs 6000 crores in **NIIF Debt Platform** sponsored by National Investment and Infrastructure Fund (NIIF), comprising of **Aseem Infrastructure Finance Limited (AIFL)** and **NIIF Infrastructure Finance Limited (NIIF-IFL)**.

This was one of the twelve key measures made by the Union Minister for Finance, as part of Government of India’s stimulus to the economy, under Aatma Nirbhar Bharat.

Rs 6,000 crores will be invested as equity in the NIIF Debt Platform over two financial years, i.e., 2020-21 and 2021-22.

NIIF Infrastructure Debt Financing Platform is expected to contribute nearly Rs 1 lakh crores in debt to the infrastructure sector over the next 5 years.

This will act as a catalyst in attracting more investments into the infrastructure sector as envisaged in the National Infrastructure Pipeline.

As per the National Infrastructure Platform (NIP), investment in infrastructure sector is targeted at Rs.111 lakh crore over the next 5 years across various sub-sectors, creating substantial need for debt financing. This would require at least Rs 60 to 70 lakh crores in debt financing.

Note: This current environment requires well-capitalized specialized infrastructure focused financial institutions, such as the ones being developed by National Investment and Infrastructure Fund (NIIF), which can focus on lending across the project life cycle with a strong capital base and expertise driven approach.

Brain Fingerprinting for interrogation

The brain fingerprinting method is to be conducted on all the four accused in the Hathras Rape Case. A team of forensic experts are to work along with the CBI team to prepare probe short questions for the test.

Note: **The Brain Fingerprinting or Brain Electrical Oscillation Signature** is a neuro psychological method used to interrogate an accused in the crime by studying his or her brain responses. The test is carried out through a process called Electroencephalogram that studies the electrical behaviour of the human brain.

The consent of the accused is first taken in order to perform the test. The accused then has to wear a head cap with dozens of electrodes attached to it and is then showed with visuals or audio clips that are related to the case in order to check if there are triggering neutrons in their brains generating brain waves.

However, the test can only be used as an aid to question the accused in the Hathras case. The accused cannot be convicted based on the test. The conviction has to be done based on interrogation and other traditional legal practices of CBI.

Hornbill Festival

Nagaland hosts the first virtual celebration of Hornbill Festival 2020 from 1 to 5 December.

It showcases the rich cultural heritage and tradition of the Nagas in one platform at Naga Heritage Village Kisama under Kohima District.

However, due to Coronavirus pandemic, the state is holding its 21st edition of Hornbill festival 2020 completely in virtual mode.
• **Note:** The Hornbill Festival is a celebration held every year from 1 to 10 December, in Nagaland, Northeast India. It is also called the 'Festival of Festivals'. The *Festival is named after the Indian Hornbill, the large and colourful forest bird* which is *displayed in folklore in most of the state's tribes.*
• The start of the festival marks the Nagaland statehood day i.e. December 01.

**Government launches Mission COVID Suraksha**

• The Government of India has approved the third stimulus package of Rs. 900 Crore for the **Mission COVID Suraksha- The Indian COVID-19 Vaccine Development Mission.**
• For Research & Development of Indian COVID-19 vaccines, this grant will be provided to the Department of Biotechnology.
• Led by the Department of Biotechnology and implemented by a dedicated Mission Implementation Unit at Biotechnology Industry Research Assistance Council, the existing activities under National Bio Pharma Mission and Ind-CEPI Mission will provide complementary strengths to this Mission.
• **Note:** Phase-I of the COVID Suraksha Mission has been allotted Rs.900 Crore for a period of 12 months. A total of 10 vaccine candidates have been supported by the Department of Biotechnology so far at both academia and industry and as on date, 5 vaccine candidates are in human trials including the Russian Vaccine Sputnik-V with at least 3 more in advanced stages of preclinical to enter human trials shortly.

**Inauguration of Honey FPOs (Farmer Producer Organizations)**

• The Honey FPO Programme of National Agricultural Cooperative Marketing Federation of India Limited (NAFED) was inaugurated by Minister of Agriculture and Farmers’ Welfare Shri Narendra Singh Tomar.
• Under the making 10,000 FPOs of the Central government Scheme, 5 FPOs of honey were launched in five states. These are Sundarbans in West Bengal, East Champaran in Bihar, Mathura in Uttar Pradesh, Morena in Madhya Pradesh and Bharatpur in Rajasthan.
• NAFED, through its empanelled Cluster-Based Business Organisation (CBBO) Indian Society of Agribusiness Professionals (ISAP) has initiated the formation and promotion of FPOs of beekeepers and honey collectors.
• **Note:** National Agricultural Cooperative Marketing Federation of India Ltd is an apex organization of marketing cooperatives for agricultural produce in India. It was established on the auspicious day of Gandhi Jayanti on 2nd October 1958.

**Extension of Emergency Credit Line Guarantee Scheme through ECLGS 2.0 for the 26 sectors**

• The **Government has extended the Emergency Credit Line Guarantee Scheme (ECLGS) through ECLGS 2.0 for the 26 sectors identified by the Kamath Committee and the healthcare sector.**
• Under ECLGS 2.0 entities with outstanding credit above Rs. 50 crore and not exceeding Rs. 500 crore as on 29.2.2020, which were less than or equal to 30 days past due as on 29.2.2020 are eligible.
• These entities/borrower accounts shall be eligible for additional funding up to 20 per cent (which could be fund based or non-fund based or both) of their total outstanding credit (fund based only) as a collateral-free Guaranteed Emergency Credit Line (GECL), which would be fully guaranteed by **National Credit Guarantee Trustee Company Limited (NCGTC).** The loans provided under ECLGS 2.0 will have a 5-year tenor, with a 12-month moratorium on repayment of principal.
In addition to ECLGS 2.0, where no annual turnover ceiling has been prescribed, it has also been decided to extend ECLGS 1.0 to entities under ECLGS which had a total credit outstanding (fund based only) of up to Rs.50 crore as on 29.02.2020 but were previously ineligible owing to their annual turnover exceeding Rs.250 crore. All other existing criteria/terms and conditions remain unchanged.

The Scheme would be applicable to all loans sanctioned under ECLGS during the period from the date of issue of these guidelines by NCGTC to 31.03.2021 or till guarantees for a number of Rs 3,00,000 crore is sanctioned under the ECLGS (taking into account both ECLGS 1.0 and 2.0), whichever is earlier.

Note: The RBI had formed a five-member committee under the chairmanship of former ICICI Bank Chief Executive KV Kamath to make recommendations on the financial parameters to be considered in the restructuring of loans impacted by the Covid 19 pandemic.

The amalgamation of Lakshmi Vilas Bank with DBS Bank India Limited

- The Union Cabinet has approved the Scheme of Amalgamation of Lakshmi Vilas Bank Limited (LVB) with DBS Bank India Limited (DBIL).
- On 17.11.2020, to protect depositors’ interest and in the interest of financial and banking stability, on RBI's application under section 45 of the Banking Regulation Act, 1949, LVB had been under a moratorium for a period of 30 days.
- Note: DBIL is a banking company licenced by RBI and operating in India through the wholly-owned subsidiary model, a leading financial services group in Asia, with presence in 18 markets and headquartered in Singapore.

‘PM Modi and his Government's special relationship with Sikhs’ book released

- Union Minister for Information and Broadcasting Shri Prakash Javadekar released a booklet ‘PM Modi and his Government’s special relationship with Sikhs’ along with Union Minister for Civil Aviation and Housing and Urban Affairs Shri Hardeep Singh Puri on the occasion of Gurupurab.
- The book published by the Ministry of Information and Broadcasting was released in English, Hindi and Punjabi languages. The book is based on the messages of Guru Nanak Dev.
- Note: This year marks the 551st birth anniversary of Guru Nanak Dev, the first Sikh Guru, who laid the foundation of Sikhism.

RE-Invest 2020

- Prime Minister Narendra Modi inaugurated the 3rd Global Renewable Energy Investment Meeting and Expo (RE-Invest 2020) through video conferencing. The summit is organized by the Ministry of New and Renewable Energy.
- The theme for RE-Invest 2020 is ‘Innovations for Sustainable Energy Transition’.
- India’s renewable power capacity is the 4th largest in the world and is growing at the fastest speed among all major countries. The renewable energy capacity in India is currently 136 Giga Watts, which is about 36% of our total capacity.
- India’s annual renewable energy capacity addition has been exceeding that of coal-based thermal power since 2017. In the last 6 years, India has increased installed renewable energy capacity by two and half times.
- Note: In September last year at the United Nations Climate Action Summit, Prime Minister Narendra Modi had announced increasing the renewable energy target to 450 GW by 2030 from 175 GW by 2022.

Prime Minister Narendra Modi chairs 33rd PRAGATI interaction
- It marked Prime Minister’s 33rd interaction through PRAGATI - the ICT based multi-modal platform for **Pro-Active Governance and Timely Implementation**, involving Central and State governments.
- In the PRAGATI meeting, multiple projects, grievances, and programs were reviewed. The projects taken up were of the Ministry of Railways, Ministry of Road Transport & Highways, Department for Promotion of Industry & Internal Trade, and Power Ministry. - Dr. Vardhan will be representing India from January 1, 2021 till December 31, 2023.
- Note: The GAVI Board is responsible for strategic direction and policymaking, oversees the operations of the Vaccine Alliance and monitors programme implementation.

Vineet Agarwal takes over as new Assocham President
- Managing Director of logistics major Transport Corporation of India Limited Vineet Agarwal has taken over as the new President of The Associated Chambers of Commerce and Industry of India (Assocham).
- He replaces Niranjan Hiranandani, Co-Founder and MD, Hiranandani Group of Companies.

Shashi Shekhar Vempati, CEO Prasar Bharati elected Vice President of ABU
- Shri Shashi Shekhar Vempati has been elected to the office of the Vice President, ABU (Asia-Pacific Broadcasting Union), one of the largest broadcasting associations in the world for three years.
- Note: Asia-Pacific Broadcasting Union, formed in 1964, is a non-profit, professional association of broadcasting organisations. Its headquarters is in Kuala Lumpur, Malaysia.

Radhakrishnan Nair appointed as chief coach of Indian athletics
- Athletics Federation of India (AFI) appointed Radhakrishnan Nair as its full-time chief coach, filling the post left vacant after the resignation of Bahadur Singh in July.
- Note: Nair, who is also a certified Technical Official and World Athletics Level-5 coach, has been instrumental in enhancing the coaches education system in India.
- He is the first Indian to have an International Coaching Enrichment Programme Certificate of the International Olympic Committee.

Uday Shankar named FICCI president for 2020-21
- Shankar will succeed Sangita Reddy.
- He is the first-ever media and entertainment executive in India to lead a national industry chamber such as FICCI (The Federation of Indian Chambers of Commerce & Industry).
World Health Organisation (WHO) has appointed Indian-origin Anil Soni as the Chief Executive Officer (CEO) for the WHO Foundation

- WHO Director-General Adhanom Ghebreyesus described Soni as a proven innovator in global health who has spent two decades in service of communities affected by HIV/AIDS and other infectious diseases.
- **Note: WHO Foundation**, an independent grant-making agency headquartered in Geneva, was launched in May 2020 to work alongside the WHO and the global health community.

Bata promotes India CEO Kataria as global head.

- Recently, Bata Shoe Organization named Sandeep Kataria as its first Indian CEO.
- He will replace Alexis Nasard.

**Science and Technology**

Niti Ayog launches made-in India cloud storage service, DigiBoxx

- DigiBoxx is India’s first homegrown Digital Asset Management Platform where we can store and collaborate with your digital assets, like raw files, photographs, sensitive collateral, etc.
- This is a made-in India service that will store and encrypt data within the country. It is available on the web and Android as of now with iOS support arriving soon.
- Like Google Drive and Apple’s iCloud service, DigiBoxx will enable individuals and enterprises to store, manage, collaborate, organise and share all their data online.

India’s first-ever driverless train operations on Delhi Metro’s Magenta Line

- Prime Minister Shri Narendra Modi inaugurated India’s first-ever driverless train operations on Delhi Metro’s Magenta Line.
- He also inaugurated a fully operational National Common Mobility Card service on the Airport Express Line.
- **Note:** In 2014, only 5 cities had metro rail and today, metro rail is available in 18 cities. By the year 2025, metro rail will be available in more than 25 cities.

Mobile Application “Swachhata Abhiyan”

- Union Minister for Social Justice and Empowerment Shri Thaawarchand Gehlot launched a Mobile Application “Swachhata Abhiyan”.
- This mobile application has been developed to identify and geotag the data of insanitary latrines and manual scavengers so that the insanitary latrines can be replaced with sanitary latrines and rehabilitate all the manual scavengers to provide dignity of life to them.
- **Note:** “Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013” mandates survey of insanitary latrines, their demolition and construction of sanitary latrines in their place.

IMD launches country’s highest Meteorological Centre in Leh

- The India Meteorological Department (IMD) will now provide specialised weather forecasts for traffic movement on highways, agriculture, and defence personnel from its Ladakh centre. Located at 3,500 metres above sea level in Leh, it will be the highest Meteorological Centre (MC) in India.
- It will provide short range (3 days) medium range (12 days) and long range (one month) forecast for the two districts Leh and Kargil of the Union Territory.
India’s first Lithium refinery in Gujarat
- India’s first Lithium refinery which will process Lithium ore to produce battery-grade material will be set up in Gujarat.
- Manikaran Power Limited, one of the country’s largest power trading and renewable energy company will be investing over Rs 1,000 crore to set up this refinery.
- **Note:** Lithium is a rare element not usually found in India. The company will be importing Lithium ore from Australia and will be processing it here.

INCOIS launches web based Digital Ocean app
- INCOIS (Indian National Centre for Ocean Information Services), an autonomous body under the Ministry of Earth Sciences (MoES), has launched a web-based application Digital Ocean to share information on marine data and forecast services.
- It is a first of its kind platform for ocean data management and contributes to the Digital India program.

India’s first Centre of Excellence for Skill Development in Power Sector
- Skill India has established the first Centre of Excellence for Skill Development in the Power Sector in the campus of National Institute of Solar Energy, Gurugram, Haryana.
- The Centre of Excellence is an outcome of collaboration between the Ministry of Skill Development and Entrepreneurship, Government of India, along with the Ministry of National Education and Youth, Government of France and Schneider Electric.
- The Centre of Excellence will focus on creating a pool of highly skilled trainers and assessors for further training to increase employability of candidates in the field of Electricity, Automation and Solar Energy Sectors.

Prime Minister Shri Narendra Modi inaugurates India International Science Festival (IISF) 2020
- 6th IISF 2020 is being organized jointly by Council of Scientific and Industrial Research (CSIR), Department of Science and Technology (DST), Ministry of Earth Sciences, Department of Biotechnology (DBT), Indian Council of Medical Research (ICMR) in association with Vijnana Bharati (Vibha) from December 22 - 25, 2020.
- The theme is ‘Science for Self-Reliant India and Global Welfare’.
- It aims to celebrate the achievements of India’s scientific and technological advancements with students and innovators.

ISRO sets up dedicated control centre ‘NETRA’ for Space Situational Awareness (SSA)
- The Indian Space Research Organization (ISRO) has set up a dedicated Control Centre ‘NETRA’ (NEtwork for space object TRacking and Analysis) at ISTRAC campus at Peenya, Bengaluru to monitor, track and protect India’s space assets.
- Directorate of Space Situational Awareness and Management (DSSAM) has been established at ISRO to enhance Space Situational Awareness.
- **Note:** Only America, Russia and Europe have similar established capabilities in place to track space objects and share collision warnings.

Defence minister Rajnath Singh inaugurates the advanced Hypersonic Wind Tunnel test facility in Hyderabad
- The state-of-the-art facility is a pressure vacuum driven enclosed free jet facility with nozzle exit of one-meter diameter.
The project is an indigenous development and an outcome of synergistic partnership with Indian industries.

Note: With this India has become the third country to have such a huge facility in size and capability after America and Russia.

**ISRO successfully launches CMS-01 Communication Satellite on board PSLV-C50 Rocket**

- CMS-01 is the 42nd communication satellite of the space agency and it is envisaged for providing services in Extended-C Band of the frequency spectrum covering India, Andaman and Nicobar, and Lakshadweep islands.
- Note: The satellite is going to function as a replacement for communication satellite GSAT-12 which was launched 11 years ago. CMS-01 will have a lifespan of over seven years, according to ISRO.

**Cabinet approves setting up of public Wi-Fi networks**

- The Cabinet approved setting up of public Wi-Fi networks under ‘PM-WANI’ (Prime Minister’s Wi-Fi Access Network Interface) to provide public Wi-Fi service through Public Data Offices without levy of any License Fee.
- "The scheme would enable small shopkeepers to provide Wi-Fi service. This will boost incomes as well as ensure youth gets seamless internet connectivity. It will also strengthen our Digital India mission.

**Co-WIN mobile app announced for COVID-19 vaccine delivery**

- The Union Health Ministry has announced a digital platform called 'Co-WIN' to monitor the entire vaccination process and enable people to register themselves for the vaccination.
- Note: This Co-WIN app will have 5 modules that will help vaccinators, administrators and people who will get these vaccine shots. These modules would include administrator module, registration module, vaccination module, beneficiary acknowledgement module and report module.

**Quantum Communication between two DRDO Laboratories**

- DRDO (Defence Research and Development Organization) developed Quantum Key Distribution (QKD) technology underwent trials in Hyderabad between two DRDO labs, DRDL (Defence Research and Development Laboratory) and RCI (The Research Centre Imarat), to show secure communication.
- Note: The technology is developed by CAIR, Bengaluru and DYSL-QT, Mumbai. Quantum Communication using the time-bin Quantum Key Distribution scheme was performed under realistic conditions.

**DRDO’s new laboratory named ‘Defence Geo-Informatics Research Establishment’**

- DRDO (Defence Research and Development Organisation) has created a new laboratory named Defence Geo-Informatics Research Establishment by merging two existing labs.
- First is the Manali-headquartered Snow and Avalanche Studies Establishment (SASE) and the second is the Delhi-based Defence Terrain Research Laboratory (DTRL).
- Note: The new lab will focus on research on terrain and avalanches along the border with China from Ladakh to Arunachal Pradesh.
- The SASE has been very actively engaged in the study of snow and avalanches in the operational areas. It has prepared an avalanche atlas of almost 3,000 on-road locations in different parts of the country where the armed forces are deployed. The DTRL had been working on different terrains where the armed forces are deployed.
NHSRCL adopts aerial LiDAR Survey technique to conduct the ground survey for Delhi-Varanasi High Speed Rail Corridor

- National High Speed Rail Corporation Limited (NHSRCL) will be adopting Light Detection and Ranging Survey (LiDAR) technique using Laser enabled equipment mounted on a Helicopter for conducting ground survey for the preparation of Detailed Project Report for the proposed Delhi-Varanasi HSR corridor.
- **Note:** The aerial LiDAR survey technique, for the first time for any railway project in India, was adopted for the Mumbai- Ahmedabad High Speed Rail Corridor primarily because of its high accuracy. The ground survey using aerial LiDAR for MAHSR alignment was done only in 12 weeks against the 10-12 months if had been done through traditional survey methods.

**Health**

Prime Minister, Shri Narendra Modi launches Ayushman Bharat PM-JAY SEHAT to extend coverage to all residents of Jammu & Kashmir

- Scheme will provide financial cover up to Rs 5 lakh per family on a floater basis; free and cashless treatment in any public and private empanelled hospital across the country.
- Right now about 6 lakh families of the state are getting the benefit of Ayushman Bharat Scheme. All 21 lakh families living in J & K will get the same benefit after the SEHAT scheme.
- **Note:** AB-PMJAY (Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana) is a flagship health scheme of the central government, which was launched in 2018, and provides a cover of up to Rs 500,000 per family every year for secondary and tertiary care hospitalisation.

The first and only indigenous Pneumonia vaccine launched by Serum Institute of India (SII)

- The product of the company is named the Pneumococcal Conjugate Vaccine (PCV).
- This vaccine is used for active immunisation against invasive disease and pneumonia caused by Streptococcus pneumonia in infants and has been developed by SII in collaboration with other partners like the Bill and Melinda Gates Foundation.
- **Note:** Serum Institute of India is also the pharma company that is testing and producing the Oxford-AstraZeneca COVID-19 vaccine candidate in India.

Indian Railways launches Hospital Management Information System (HMIS) trial project

- The trail project has been launched over South Central Railway.
- **About HMIS:** The HMIS in Railways has been developed by Indian Railways in coordination with RailTel Corporation Limited.
- Its objective is to provide a single window of clearance of hospital administration activity such as clinical, diagnostics, pharmacy, examinations, industrial health etc.

National Centre for Divyang Empowerment (NCDE) inaugurated in Hyderabad

- Union Minister of State for Home G Kishan Reddy has inaugurated the National Centre for Divyang Empowerment at the CRPF Group Centre in Hakimpet near Hyderabad.
- This is the first of its kind establishment to re-skill and rehabilitates the Divyang Warriors of the Central Armed Police Forces (CAPF) who suffered life threatening injuries in line of duty.

NITI Aayog releases a white paper "Vision 2035 - Public Health Surveillance in India"

- The white paper lays out India’s vision 2035 for public health surveillance through the integration of the three-tiered public health system into Ayushman Bharat.
Citizen-friendly public health surveillance system will ensure individual privacy, enabled with a client feedback mechanism. India aims to provide regional and global leadership in managing events that constitute a public health emergency of international concern.

India's first mRNA vaccine for Covid-19
- India's first indigenous mRNA vaccine has received approval from the Drug Controller General of India to initiate Phase I/II human clinical trial.
- The mRNA vaccine, HGCO19 has been developed by Gennova, a company based in Pune and supported with seed grant under the Ind-CEPI mission of Department of Biotechnology of Science and Technology Ministry.
- **Note:** The mRNA vaccines do not use the conventional model to produce immune response. Instead, mRNA vaccine carries the molecular instructions to make the protein in the body through a synthetic RNA of the virus.

India continues to make impressive gains in reduction of malaria burden: WHO
- According to the *World Malaria Report 2020* released by the World Health Organisation (WHO), India is the only high endemic country which has reported a decline of 17.6 percent in 2019 as compared to 2018. The Annual Parasitic Incidence reduced by 27.6 percent in 2018 compared to 2017.
- The percentage drop in the malaria cases was 71.8 percent and deaths were 73.9 percent between 2000 to 2019.
- **Note:** Malaria elimination efforts were initiated in the country in 2015 and were intensified after the launch of National Framework for Malaria Elimination in 2016 by the Health Ministry. The National Strategic Plan for Malaria Elimination was launched by the Health Ministry in July, 2017 which laid down strategies for the next five years.

Environment and Ecology

Ladakh’s Tso Kar Wetland Complex now a Wetland of International Importance
- India has added Tso Kar Wetland Complex in Ladakh as its 42nd Ramsar site, which is a second one in the Union Territory (UT) of Ladakh.
- The Tso Kar Basin is a high-altitude wetland complex, consisting of two principal waterbodies, Startsapuk Tso, a freshwater lake of about 438 hectares to the south, and Tso Kar itself, a hypersaline lake of 1800 hectares to the north, situated in the Changthang region of Ladakh, India.
- **Note:** The Tso Kar Basin is an A1 Category Important Bird Area (IBA) as per Bird Life International and a key staging site in the Central Asian Flyway.

A Ramsar site is a wetland site designated to be of international importance under the Ramsar Convention. Ramsar convention is an inter-governmental environmental treaty established by UNESCO and came into force in 1975.

New population of blue whales discovered in western Indian Ocean
- Scientists have found evidence of a previously undiscovered population of blue whales living in the western Indian Ocean based on an analysis of sound recordings from the region.
- In a recently published study in the journal *Endangered Species Research*, the scientists analysed recordings from the Arabian Sea coast of Oman, and as far south as Madagascar, and found a blue whale song that had never been described.
According to the researchers this population of blue whales was previously assumed to belong to the same that had been studied off Sri Lanka, ranging into the southcentral Indian Ocean.

Scientists discovered a new species of wild Sun Rose from the Eastern Ghats in India
- The name of the new species is *Portulaca laljii* which has been discovered from Prakasam district of Andhra Pradesh.
- It has unique features such as a tuberous root, no hair in its leaf axils, a reddish pink flower, prolate-shaped fruits, and copper brown seeds without lustre.
- It is named after Lal Ji Singh. He was a well-known botanist from the Botanical Survey of India.
- This species has been included in the “Data Deficient” category of the IUCN Endangered Species List.

The ‘Status of Leopard in India 2018’ report
- The ‘Status of Leopard in India 2018’ report was released by Union Environment Minister Prakash Javadekar.
- India now has 12,852 leopards. More than 60 percent increase in population has been recorded over the previous estimate which was conducted in 2014.
- **Note:** The States of Madhya Pradesh (3,421), Karnataka (1783) and Maharashtra (1690) have recorded the highest leopard estimates.

Researchers discovered a new frog species
- The researchers from multiple India Institutions and one from France, has found a new species of burrowing frog and named it *Sphaerotheca Bengaluru*, outside its natural habitat in a barren tract of land near Rajankunte, outskirts of Bengaluru.
- The new species was described based on the morphological differences and molecular approach with known species of the burrowing frogs.
- **Note:** The new species is a part of the team’s effort in documenting the ‘Amphibians in the Deccan Plateau parts of Karnataka’.

Cyclonic Storm ‘Burevi’
- According to the India Meteorological Department (IMD), Cyclonic Storm Burevi is a currently active tropical cyclone which has made landfall in Sri Lanka and is threatening parts of southern India.
- **Note:** It is the fifth named cyclone in the 2020 North Indian Ocean cyclone season. The others are Cyclone Gati, Cyclone Nisarga, Cyclone Nivar and Cyclone Amphan.
- Cyclone Burevi is the third Cyclone to hit Tamil Nadu in two years after Cyclone Gaja in 2018 and Cyclone Nivar recently.

‘Blue tide’ spotted at Juhu beach
- The blue tide phenomenon was observed in several stretches of Maharashtra coast—such as Juhu Beach. According to Coastal Conservation Foundation director Shaunak Modi, the ‘blue tide’ was spotted at Juhu Koliwada.
- The ‘blue tide’ producing a fluorescent blue hue is a beautiful sight to behold. This phenomenon is called bioluminescence.
Bioluminescence has been observed across the coastline of many beaches in the world such as Indonesia, the USA, the Maldives, Vietnam, Australia and many other countries.

This is a recurring phenomenon which is caused by bioluminescent plankton called Noctiluca scintillans, commonly known as sea sparkle. While smaller blooms may be harmless, slow-moving larger blooms may cause severe hypoxic conditions that result in fish die-offs in an area.

**Bioluminescence** is the production and emission of light by a living organism. According to the National Ocean Service, bioluminescence in the ocean is not as rare as you might think. “In fact, most types of animals, from bacteria to sharks, include some bioluminescent members.”

**Banned catfish Thai Mangur**

- A shocking incident came to light in Maharashtra, where almost thousands of tons of banned catfish, Thai Mangur are illegally being bred in over 125 artificial ponds in rural Thane.
- Thai Mangur has been banned by the National Green Tribunal in 2000 as they destroyed the local ecosystem and were considered harmful for human consumption too.
- **About Thai Mangur**: Ranging from Rs 100-150 per kg, Thai Mangur is easy and cheap to rear. The carnivorous species was introduced to India in the 1990s and it is originally from Africa and the Middle East.
- Artificial tanks are constructed in large farmlands by the local cultivators. It aggressively devours all organisms in any natural pond, thereby damaging the local ecosystem and biodiversity.
- The banned catfish species is a low-maintenance investment for cultivators as it can feed on anything and can even survive in hostile conditions, even staying alive outside water for a long time.

**Ministry of Environment, Forest and Climate Change launched the “India Climate Change Knowledge Portal”**

- Portal will be a “single point Information resource” which provides information on the different climate initiatives taken by various Line Ministries enabling users to access updated status on these initiatives.
- The portal captures sector-wise adaptation and mitigation actions that are being taken by the various line Ministries in one place including updated information on their implementation. The knowledge portal will help in disseminating knowledge among citizens about all the major steps the Government is taking at both national and international levels to address climate change issues.
- **The eight major components included in the knowledge portal are:**
  - India’s Climate Profile, National Policy Framework, India’s NDC goals, Adaptation Actions, Mitigation Actions, Bilateral and Multilateral Cooperation, International Climate Negotiations, Reports & Publications.
  - Web Portal link: https://www.cckpindia.nic.in/

**India to launch Deep Ocean Mission in 3-4 Months**

- Ministry of Earth Sciences (MoES) will soon launch an ambitious "Deep Ocean Mission" that envisages the exploration of minerals, energy, and marine diversity of the underwater world, a vast part of which still remains unexplored.
- The mission, which is expected to cost over ₹ 4,000 crores, will give a boost to efforts to explore India’s vast Exclusive Economic Zone and Continental Shelf.
The multi-disciplinary work will be piloted by the MoES and other government departments like the Defence Research and Development Organisation, Department of Biotechnology, Indian Space Research Organisation (ISRO), Council for Scientific and Industrial Research (CSIR) will be stakeholders in this mission.

Note: In September 2016, India signed a 15-year contract with the International Seabed Authority (ISA) for the exploration of Poly-Metallic Sulphides (PMS) in the Indian Ocean. The ISA is an institution set up under the Convention on Law of the Sea to which India is a Party.

Cyclone Nivar

- Very Severe Cyclonic Storm Nivar was a tropical cyclone that brought severe impacts to portions of Tamil Nadu and Andhra Pradesh in late November of 2020. An area of low pressure was formed in the Bay of Bengal, off the coast of Tamil Nadu.
- The seventh depression and fourth named storm of the 2020 North Indian Ocean cyclone season, Nivar originated from a disturbance in the Intertropical Convergence Zone. The disturbance gradually organized and both the Joint Typhoon Warning Center (JTWC) and the India Meteorological Department (IMD) reported that a tropical depression has formed. Nivar made landfall near Tamil Nadu's Marakkanam and in Karaikal, Puducherry also.

Summits and Conferences

Prime Minister, Narendra Modi to attend G7 summit in 2021
- Prime Minister Narendra Modi has accepted British Prime Minister Boris Johnson's invitation to attend the G7 Summit in 2021, which will be hosted by the United Kingdom.
- Note: British PM will be Chief Guest of India’s 72nd Republic Day celebrations in New Delhi in January 2021.
- Johnson will be just the second British leader ever to attend India's Republic Day parade in New Delhi as a guest of honour, after John Major in 1993.

First Trilateral Working Group Meeting between India, Iran and Uzbekistan on joint use of Chabahar Port
- The Ministry of External Affairs said, this will open up economic opportunities for the traders and business community of the region.
- Note: All the countries welcomed India’s proposal to hold a “Chabahar Day” on the margins of the International Maritime Summit to be hosted by New Delhi in January next year.
- Chabahar Port is a seaport in Chabahar located in southeastern Iran, on the Gulf of Oman.
- The port is being developed by India, Iran and Afghanistan to boost trade ties among the three countries.

PM Narendra Modi addresses Climate Ambition Summit 2020
- The summit was co-hosted by the United Nations, the United Kingdom and France in partnership with Chile and Italy to mark the fifth anniversary of the adoption of the Paris Agreement on December 12, 2020.
- The prime minister added that India has reduced its emission intensity by 21 percent over 2005 levels. Our solar capacity has grown from 2.63 GigaWatts in 2014 to 36 GigaWatts in 2020. Our renewable energy capacity is the fourth largest in the world.
- The report finds that, despite a brief dip in carbon dioxide emissions caused by the COVID-19 pandemic, the world is still heading for a temperature rise in excess of 3°C this century – far beyond the Paris Agreement goals of limiting global warming.
‘Swadhinata Sarak’ between Bangladesh and India to be opened on March 26, 2021

- Swadhinata Sarak remains functional on the Indian side while it will be connected through Mujibnagar, Meherpur district in Bangladesh.
- **Note:** During the summit meeting between the Prime Ministers of India and Bangladesh on December 17, Chilahati-Haldirbari rail link which was active till 1965 will be inaugurated.

### 2nd The Cancer Genome Atlas (TCGA) 2020 Conference

- Dr Harsh Vardhan, the Minister of Science and Technology and Vice President of Council for Scientific and Industrial Research (CSIR), virtually inaugurated the 2nd TCGA 2020 conference on 04 December.
- The Conference brings together scientists and clinicians from across the globe to build Indian Cancer Genome Atlas (ICGA) which has been initiated by a consortium of key stakeholders in India led by CSIR, Government of India.
- **Note:** TCGA is a landmark cancer genomics program that molecularly characterized over 20,000 primary cancers and matched normal samples spanning 33 cancer types. This joint effort between the US- National Cancer Institute and the National Human Genome Research Institute began in 2006, bringing together researchers from diverse disciplines and multiple institutions.

### Ranking and Index

#### UNESCO launches State of the Education Report for India 2020

- The State of the Education Report for India 2020: Technical and Vocational Education and Training (TVET), was recently launched by UNESCO New Delhi.
- **Note:** India is at an exciting stage today, having made considerable progress towards its goal of creating a skilled workforce of 110 million people by 2022, as stated in the National Policy of Skill Development and Entrepreneurship (NPSDE), released in 2015.
- It is presently training 10 million youth annually through the many schemes that are ongoing.

#### India ranks 111 in Human Freedom Index (HFI) 2020

- India was placed at the 111th spot out of 162 countries.
- New Zealand, Switzerland and Hong Kong bagged the first three spots.
- **Note:** The Human Freedom Index 2020, a worldwide ranking of civil, economic and personal freedom, published by American think tank Cato Institute and Fraser Institute in Canada.
- India ranked 94 on the index in 2019.

#### Urban Quality of Life Index 2020

- IIT-Bombay, recently released Urban Quality of Life Index, wherein the institution compared the life quality in various cities all over India on the basis of some common denominations.
- **Some important ranks are:** Mumbai provides the highest quality of life in the country, closely followed by Delhi, Chennai and Kolkata. Bihar's capital city Patna, on the other hand has been ranked at the lowest position.
- For the gender parity index, Chennai got the top rank and has shown the least gender discrimination and differences and Patna remains the worst performing city.

1. **India got 131st place in Human Development Index (HDI) 2020**

- India dropped two spots to 131 among 189 countries in the 2020 human development index, according to a report released by the United Nations Development Programme (UNDP).
- Norway topped the index, followed by Ireland and Switzerland.
- The life expectancy of Indians at birth in 2019 was 69.7 years.
Note: India had ranked 129th in the index of 2019.
Human Development Index is the measure of a nation's health, education, and standards of living.

Kotak Wealth Hurun India list: Wealthiest women in 2020

India's top 3 wealthiest women 2020:
1. Roshni Nadar Malhotra (HCL Technologies)
2. Kiran Mazumdar-Shaw (Biocon)
3. Leena Gandhi Tewari (USV)

Note: Kotak Wealth Management, a division of Kotak Mahindra Bank (Kotak) and Hurun India has announced its 2020 list of India's 100 richest women.

Reliance Industries tops Fortune India-500 list second year in a row

Top 3 companies on the 2020 Fortune India-500 list:
1. Reliance Industries
2. Indian Oil Corporation
3. Oil and Natural Gas Corporation

Note: Fortune India-500 list was published by Fortune India, which is part of the Kolkata-based RP Sanjiv Goenka Group.

Global Terrorism Index 2020

1st rank- Afghanistan
2nd rank- Iraq
3rd rank- Nigeria
8th rank- India

Note: The Global Terrorism Index (GTI) is a report published annually by the Institute for Economics and Peace (IEP).
The GTI is based on data from the Global Terrorism Database (GTD) which is collected by the National Consortium for the Study of Terrorism and Responses to Terrorism (START) at the University of Maryland. It covers 163 countries.

India's Amul is now world's 8th largest milk processor

Amul, a brand of dairy cooperative major Gujarat Cooperative Milk Marketing Federation Ltd (GCMMF), is ranked 8th in the list of top 20 global dairy processors report 2020 released by the International Farm Comparison Network (IFCN).

Note: US's 'Dairy Farmers of America' topped the global list of dairy processors.

Climate Change Performance Index (CCPI) 2021

None achieved 1-3 rank
4th rank- Sweden
5th rank- UK
10th rank- India
While China is ranked 33rd, US 61st and Russia 52nd.
• Note: CCPI is prepared after assessing the performances of 57 countries and the European Union. These 57 countries and the European Union collectively are responsible for about 90 percent of the global GHG emissions.

• The Climate Change Performance Index is developed by not-for-profit organisations Germanwatch and NewClimate Institute (Germany) together with the Climate Action Network (CAN International).

**Important Days**

**December 25, Good Governance Day**
- This Day is observed in India annually on 25 December, the birth anniversary of former-Prime Minister Atal Bihari Vajpayee. It was established in 2014.
- **Note:** On the occasion of the 96th birth anniversary of Atal Bihari Vajpayee, Mr. Modi released a book titled ‘Atal Bihari Vajpayee in Parliament: A Commemorative Volume’, highlighting the life and works of the former Prime Minister.
- On the occasion, Hardeep Singh Puri, Housing and Urban Affairs Minister launched E-Sampada, a new web portal and mobile app.

**World celebrates 1st International Day of Epidemic Preparedness on 27 December**
- The first International Day of Epidemic Preparedness was celebrated by United Nations on December 27, 2020.
- The International Day of Epidemic Preparedness aims to promote international awareness and action on the prevention of, preparedness for and partnership against epidemics.

**December 24, National Consumer Day**
- On this day the Consumer Protection Act, 1986 had received the assent of the president. The enactment of this Act is considered as a historic milestone in the consumer movement in the country.
- **Note:** On July 20th, 2020, the new Consumer Protection Act, 2019 came into force in India, replacing the previous enactment of 1986.
- **World Consumer Rights Day** is celebrated on March 15 every year.

**December 23, Kisan Diwas 2020**
- Kisan Diwas or National Farmers' Day is observed on December 23, the birth anniversary of Chaudhary Charan Singh, the fifth prime minister of India.
- The government, in 2001, decided to mark Charan Singh's birth anniversary as Kisan Diwas.
- For his association with the farming community, his memorial in New Delhi was named the Kisan Ghat.

**December 20, International Human Solidarity Day**
- It is an international annual unity day of the United Nations and its member states introduced by the general assembly during the 2005 World Summit. It was established on December 22, 2005.
- It is a part of the World Solidarity Fund and United Nations Development Programme focused on achieving goals set for worldwide poverty eradication.
- **Note:** The General Assembly, on 20 December 2002, established the World Solidarity Fund, which was set up in February 2003 as a trust fund of the United Nations Development Programme.

**December 14, National Energy conservation day**
- Energy conservation day is celebrated on December 14 every year since 1991 to focus on making people aware of global warming and climate change and promotes efforts towards saving energy resources.
**Note:** In India Energy Conservation Act was implemented by the Energy Efficiency Bureau (BEE) under the Ministry of Power in 2001. BEE is a constitutional body which works under the Government of India and helps in the development of policies and strategies to reduce the use of energy.

**December 16, Vijay Diwas**
- Vijay Diwas is commemorated every 16th December in India, to remember Indian military's victory over Pakistan in Indo-Pakistani War of 1971 for the liberation of Bangladesh from Pakistan.
- **Note:** Same day is commemorated in Bangladesh as Bijoy Dibos.

**December 18, International Migrants Day**
- The International Migrants Day 2020 theme is Reimagining Human Mobility.
- **Note:** On 18 December 1990, the General Assembly adopted a resolution on the International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families.

**December 7, Armed Forces Flag Day**
