Important News: International

Kazakhstan changes capital's name from Nur-Sultan back to Astana

Why in News:

- Kazakhstan's capital Nur Sultan has been renamed Astana by the President of Kazakhstan, Kassym-Jomart Tokayev.

key points:

- In the latest step by Kazakhstan's president to break with his predecessor's legacy, a law has been signed to limit the presidential terms and return the Central Asian country's capital's old name.
- The capital of Kazakhstan was renamed as Nur-Sultan in March 2019 in honor of the outgoing President Nursultan Nazarbayev.
- Astana or Nur Sultan is the second largest city in the country, being the capital of Kazakhstan.

- The city of Astana is surrounded on all sides by Akmola Province, but administratively it has the status of a separate federal city.
- Astana was also known as Akmola's during the Soviet Union until 1961, and then Tselinograd until 1990.
- After the independence of Kazakhstan, Astana was known as Akmola until 1998.

Important News State

Delhi Winter Action Plan

Why in News:

- The Delhi government has unveiled a winter action plan to combat air pollution.

Key Points:

- The national capital's air quality will be improved through the 15-point Delhi Winter Action Plan.
- The strategy entails working with IIT Kanpur to carry out a study on the volume of pollution and its source over a specific time period.
- In accordance with this plan, farmers who choose to spray the bio decomposer on the crop stem as opposed to burning the crop debris receive it free of charge.
- Under the Delhi Winter Action Plan, vehicles having a Pollution Control (PUC) certificate will be assessed for diesel vehicles older than 10 years and petrol vehicles older than 15 years.
- In accordance with this program, volunteers who have registered as Paryavaran Mitras will be involved in promoting environmental conservation.
- The Delhi Winter Action Plan calls for the creation of alternate routes for heavily travelled roads in order to reduce car pollution.
- Along with the entire prohibition of firecracker exploding, the plan also forbids the production, storage, distribution, and sale of firecrackers.
- The Delhi government has selected 13 areas as pollution hotspots, and these areas will be actively watched as well as given special attention.

International Day of Older Persons celebrates on 1st October

Why in News:

- October 1 is observed as the International Day of Older Persons in the world.

key points:

- The day was started by the United Nations General Assembly with the aim of honoring the contribution of older persons and looking into the problems faced by them.
- The theme of the United Nations International Day of Older Persons for the year 2022 is "The Resilience of Older Persons in a Changing World".
- The theme will be celebrated by the NGO Committees on Aging in New York, Geneva and Vienna.
- International Day of Older Persons aims to highlight the resilience of older women to the face of environmental, social, economic and lifelong inequalities, and to raise awareness of the importance of improving data collection across the world, based on age and gender.
- On 14 December 1990, 1 October was designated by the United Nations General Assembly as the International Day of Older Persons.
- This was preceded by initiatives such as the Vienna International Plan of Action on Aging, which was adopted by the World Assembly on Aging in 1982 and also ratified by the United Nations General Assembly later that year.
- In 1991, the United Nations Principles for Older Persons was adopted by the General Assembly.
