#### Indestructible Brotherhood-2022

##### Why in News:

- Kyrgyzstan has called off the military exercise called Indestructible Brotherhood-2022 of CSTO, which was to be conducted in the Central Asian country from October 10 to 14.

##### key points:

- Kyrgyzstan, a former Soviet republic, called off the "Indestructible Brotherhood 2022" command and staff exercise a day before the start of a multinational military exercise on its territory.
- The Indestructible Brotherhood exercise is a joint military exercise involving the collective Security Treaty Organization (CSTO) personnel from the 6-member security alliance of Russia, Belarus, Armenia, Kyrgyzstan, Kazakhstan and Tajikistan.
- Non-member states such as Syria, Serbia and Uzbekistan were also invited as observers for the Indestructible Brotherhood military exercise.
- The Indestructible Brotherhood multilateral military exercise was to be held in the Eastern Highlands of Kyrgyzstan.
- Currently, the coalition is focused only on increasing security preparedness for the potential adverse consequences of a US military withdrawal from Afghanistan.
- Currently, about 5,000 troops are deployed by Russia along Tajikistan's border with Afghanistan.
- The Collective Security Treaty Organization (CSTO) is an intergovernmental military alliance established as an alternative to the US-led North Atlantic Treaty Organization (NATO) headquartered in Moscow.
