**Subject: Guidelines for engaging Professor of Practice in Universities and Colleges.**

Respected Madam/Sir,

One of the recommendations of National Education Policy 2020 is to impart holistic and multidisciplinary education in higher educational institutions. This may require the participation of experienced practitioners/professionals/industry experts etc. in the teaching-learning process. To enable HEIs to hire professional experts the UGC has created a new position called "Professor of Practice" and already published the guidelines for engaging Professor of Practice. UGC has also written to all HEIs regarding the rules for the engagement of Professor of Practice.

Vice-Chancellors of Universities and Principals of Colleges are requested to initiate steps to make necessary changes in their statutes/ordinances/rules/regulations to enable the engagement of Professor of Practice in their institutions and an action taken in the matter may kindly be shared in the university activity monitoring portal (uamp.ugc.ac.in).

Yours sincerely,

  
(P. K. Thakur)

**Encl: As above.**

To

1. The Vice-Chancellors/Directors of all Universities/Institutions.
2. The Principals of all Colleges.
