

IIT Roorkee GATE Cutoff 2023 for MTech Admissions, Check Previous Years Cutoff

Indian Institute of Technology, Roorkee, releases the cut-off for GATE for M.Tech admission after completing the admission process. **IIT Roorkee GATE Cutoff** is the last score/rank up to which the institute offers admission. The GATE cutoff varies from course to course and from category to category for students. Students can find here the IIT Roorkee GATE Cutoff for MTech Admissions through GATE Score, which will help them to analyze the previous year's admission criteria.

Read the full article to learn about the IIT Roorkee GATE cut-off for M.Tech admissions and the previous year's cutoff. IIT Roorkee has not yet released the GATE cutoff 2023 for M.Tech courses, but the GATE cutoff 2023 will be out only after the conclusion of the admission process, and it will be updated here soon.

IIT Roorkee GATE Cutoff for MTech Admissions

IIT Roorkee GATE Cutoff for MTech Admissions will be prepared by considering various factors, including the exam's difficulty level, previous year cutoff trends, the number of students appearing in the exam, and the category of students. In addition, IIT Roorkee offers M.Tech courses in multiple disciplines.

Admission to the institute is only for GATE-qualified students. However, IIT graduates with a CGPA of 8.0 or above are exempted from appearing in the GATE exam.
