LSAT India 2023 Syllabus: Section-Wise Details

Here, in the table below we have listed section-wise details for LSAT Syllabus 2023. Go through this to understand the section-wise requirements for this exam.

LSAT Syllabus Section	Description
Analytical Reasoning	This section will test the candidate's ability to understand structural relationships and to draw logical conclusions related to the topics. You have to apply deductive reasoning to answer questions about a set of statements and rules or principles describing relationships between people, things, or events. Questions will also be asked involving complex analyses, which are typically found in the legal domain.
Logical Reasoning	The candidate has to critically evaluate and analyze and complete arguments. Questions will be asked from short passages involving critical thinking. Emphasis of the questions will be to evaluate the candidate's legal reasoning ability and capability to derive valid conclusions using analogy, evidence, principles, and flaws in arguments
Reading Comprehension	The candidate will have to read, comprehend, and draw insight from given passages. The section will include four sets of reading questions, each followed by 4-9 questions.
