Lassa Fever

- Recently, one of the three persons diagnosed with **Lassa fever** in the United Kingdom has died.

About Lassa fever:

- The Lassa fever-causing virus is found in West Africa and was first discovered in 1969 in Lassa, Nigeria, the Centers for Disease Control and Pollution (CDC) notes.
- The fever is spread by rats and is primarily found in countries in West Africa including Sierra Leone, Liberia, Guinea, and Nigeria where it is endemic.
- A person can become infected if they come in contact with household items of food that is contaminated with the urine or feces of an infected rat.
- Symptoms typically appear 1-3 weeks after exposure. Mild symptoms include slight fever, fatigue, weakness and headache and more serious symptoms include bleeding, difficulty breathing, vomiting, facial swelling, pain in the chest, back, and abdomen and shock.

New India Literacy Programme

Ministry of Education
Government of India

**New India
Literacy Program**

A new scheme on 'Education for All' -
erstwhile termed as 'Adult Education'

Highlights:

- Approved by Union Cabinet for FY 2022-27
- Total estimated outlay of Rs. 1037.90 Cr.
- The scheme covers all the aspects of Education for All for 15 years and above age group
- Online modules to increase the access
- Volunteerism based implementation

- Government approved a new scheme “**New India Literacy Programme** for the period FYs 2022-2027 to cover all the aspects of Adult Education to align with National Education Policy 2020 and Budget Announcements 2021-22.
- Adult Education is now ‘Education for All’ in the country.
- The objective of the scheme is to impart not only foundational literacy and numeracy but also to cover other components which are necessary for a citizen of the 21st century such as critical life skills; vocational skills development; basic education; and continuing education.
- The scheme will cover non-literates of the age of 15 years and above in all state/UTs in the country.
- The target for Foundational Literacy and Numeracy for FYs 2022-27 is 5 (five) crore learners @ 1.00 crore per year by using “Online Teaching, Learning and Assessment System (OTLAS)” in collaboration with National Informatics Centre, NCERT and NIOS.
- The estimated total outlay of “New India Literacy Programme” is Rs.1037.90 crore which includes Central share of Rs.700 crore and State share of Rs.337.90 crore respectively for the FYs 2022 -27.
