SWAMITVA Yojana

Context: Prime Minister Narendra Modi emphasized in the recent webinar Union Budget 2022, "Digital connectivity of villages is no longer an aspiration but the need of the day".

Why the need of broadband connectivity in rural areas?

- Broadband connectivity will not only provide facilities in the villages, but it will also help in creating a large pool of skilled youth in the villages.
- When the service sector expands with broadband connectivity in the village, the country's potential will increase further.
- optical fibre connectivity issues need to be resolved on pilot basis across the nation's rural areas.

What is SWAMITVA Yojana?

- SVAMITVA (Survey of Villages and Mapping with Improved Technology in Village Areas) was launched by Prime Minister on April 24, 2020, as a Central Sector Scheme to promote a socio-economically empowered and self-reliant rural India.

Objective of the scheme:

- Creation of accurate land records for rural planning and reduce property related disputes.
- To bring financial stability to the citizens in rural India by enabling them to use their property as a financial asset for taking loans and other financial benefits.
- Determination of property tax, which would accrue to the GPs directly in States where it is devolved or else, add to the State exchequer.
- Creation of survey infrastructure and GIS maps that can be leveraged by any department for their use.
- To support in preparation of better-quality Gram Panchayat Development Plan (GPDP) by making use of GIS maps

What all aspects are covered in the scheme?

The scheme covers multifarious aspects:

- facilitating monetization of properties and enabling bank loan
- reducing property related disputes
- comprehensive village level planning

Implementing authority:

- The Scheme is implemented with the collaborative efforts of the **Ministry of Panchayati Raj, State Revenue Department, State Panchayati Raj Department and Survey of India.**

How will help revolutionise rural India?

- Scheme is a reformative step towards establishment of clear ownership of property in rural inhabited (Abadi) areas, by mapping of land parcels using drone technology and providing 'Record of Rights' to village household owners with issuance of legal ownership cards (Property cards/Title deeds) to the property owners.
- The scheme is the stepping-stone towards achieving Gram Swaraj in true sense and making rural India Atmanirbhar.

About Vijayanagara Empire

- The Vijayanagara Empire, also called Karnata Kingdom,[3] was based in the Deccan Plateau region in South India.
- It was established in 1336 by the brothers Harihara I and Bukka Raya I of the Sangama dynasty, members of a pastoralist cowherd community, possibly Kuruba, that claimed Yadava lineage.
- The empire rose to prominence as a culmination of attempts by the southern powers to ward off Islamic invasions by the end of the 13th century.
- At its peak, it subjugated almost all of South India's ruling families and pushed the sultans of the Deccan beyond the Tungabhadra-Krishna river doab region, in addition to annexing modern day Odisha (ancient Kalinga) from the Gajapati Kingdom thus becoming a notable power.
