## Important News: World

### PM Modi participates in virtual summit of Quad leaders

#### Why in News

- Recently, Prime Minister Narendra Modi participated at a virtual **summit of Quad leaders**, along with US President Joe Biden, Australian Prime Minister Scott Morrison and Japanese Prime Minister Fumio Kishida.

#### Key Points

- The meeting reviewed the progress on Quad initiatives since the September 2021 Quad Summit.
- The leaders agreed on accelerating cooperation, with an objective to achieve concrete outcomes by the summit in Japan later this year.
- Prime Minister Narendra Modi called for concrete and practical forms of cooperation within the Quad, in areas like Humanitarian and Disaster Relief, debt sustainability, supply chains, clean energy, connectivity, and capacity-building.
- He reiterated the importance of adhering to the UN Charter, international law and respect for sovereignty and territorial integrity.
- The leaders also discussed other topical issues, including the situation in Southeast Asia, the Indian Ocean region and the Pacific Islands.

#### About Quad:

- The Quad, or the Quadrilateral Security Dialogue, is an informal grouping of four countries — Australia, Japan, India and the United States.
- It is aimed at ensuring a free and open Indo-Pacific, a strategically vital region that witnessed increasing Chinese military assertiveness in recent years.

- Quad's first in-person summit was held in Washington in September 2021.

## Financial Action Task Force keeps Pakistan in Grey List

### Why in News

- **Financial Action Task Force (FATF)** has once again retained Pakistan on the increased monitoring list, also known as the "Grey List" and called the country to work on "complex money laundering investigations and prosecutions.

### Key Points

- Pakistan has been on the FATF's grey list for deficiencies in its counter-terror financing and anti-money laundering regimes since June 2018.
- This greylisting has adversely impacted its imports, exports, remittances, and limited access to international lending.

### Facts about Financial Action Task Force (FATF):

- FATF is an intergovernmental organisation founded on the initiative of the G7 to develop policies to combat money laundering. In 2001, its mandate was expanded to include terrorism financing.
- **Headquarters:** Paris, France
- **Founded:** 1989
- **Membership:** 39

### Two lists of FATF:

- **Grey List:** Those countries that are considered safe haven for supporting terror funding and money laundering. 'Increased monitoring list' is another name for the 'Grey List'.
- **Black List:** Those countries known as Non-Cooperative Countries are put in the Black List. These countries support money laundering and terror funding activities.
