NASA's Artemis I moon mission

Why in News

- Recently, the **National Aeronautics and Space Administration (NASA)** rolled out its **Artemis I moon mission** to the launchpad for testing at the Kennedy Space Centre in Florida, United States.

Key Points

- **NASA's Artemis mission** is touted as the next generation of lunar exploration.
- With the Artemis programme, NASA aims to land humans on the moon by 2024.
- **Artemis I (formerly Exploration Mission-1)** is the first of NASA's deep space exploration systems.
- It is an uncrewed space mission where the spacecraft will launch on Space Launch System (SLS) — the most powerful rocket in the world — and travel 2,80,000 miles from the earth for over four to six weeks during the course of the mission.

Indian Space Research Organisation (ISRO)'s Moon Exploration Efforts:

- Chandrayaan 1
- Chandrayaan-2
- ISRO recently announced India's third lunar mission **Chandrayaan-3**, which will comprise a lander and a rover.

About 7% of India's workforce will need digital skills training in next year: Report

Why in News

- About 27.3 million workers, representing 7% of the country's workforce, will require digital skills training for their jobs over the next year, as demand for such skills, especially cloud-related skills, became more acute during the pandemic, according to a new report.

Key Points

- The report – '**Building Digital Skills for the changing workforce**', has been prepared by AlphaBeta and commissioned by Amazon Web Services, Inc. (AWS).
- It is based on a survey of 1,012 digitally skilled workers in both technology and non-technology roles, and 303 employers in India, with representation from the public, private, and non-profit sectors.

Ministry of Education to conduct first-of-its-kind 'Foundational Learning Study'

Why in News

- The Ministry of Education will be conducting a '**Foundational Learning Study**' in order to draw a first-hand understanding of the learning levels of the students at the foundational learning stage (at the end of Grade 3).
- The study is first of its kind in the world as it aims to set-up benchmarks for reading with comprehension in 22 Indian languages.

Key Points

About Foundational Learning Study:

- The Foundational Learning Study will be conducted by the NCERT in all States and UTs over a window of four days i.e., 23rd, to 26th March, 2022 in the sampled schools.
- Approximately, 10000 schools and 1 lakh students are expected to participate in this study.

Specific objectives of the foundational learning study:

- To conduct a large-scale assessment of the foundational learning of grade 3 students to establish a baseline for the NIPUN Bharat mission
- To establish reading proficiency benchmarks for fluency with comprehension for each of the languages being assessed under the study
- To provide the data for SDG 4.1.1. (Covering aspects of foundational literacy and numeracy)

Note: The Ministry of Education, has launched the ‘**National Initiative for Proficiency in Reading with Understanding and Numeracy**’ (NIPUN- BHARAT) mission to provide the roadmap for strengthening the domain of foundational learning at the national level.

4th Poshan Pakhwada

Why in News

- The Ministry of Women and Child Development is celebrating the **4th Poshan Pakhwada** from 21st March to 4th April, 2022.

Key Points

- For the celebration of Poshan Pakhwada, the emphasis is on two broad areas viz. identification & celebration of Healthy Child, and integration of modern and traditional practices for healthy India within the thematic areas around Poshan MITRA (Modern, IT based, Traditional & Regional Activities).

Under the theme for integration of modern and traditional practices, special focus will be on the following:

- Measurement of Height and Weight of Children under 6 years who are beneficiaries in the Anganwadi Centres
- Activities focused around Gender Sensitive Water Management and generating awareness in women about the importance of water conservation and promoting rainwater harvesting structures including in Anganwadi Centres
- Test Treat and Talk Anaemia
- Promote traditional food for healthy mother and child esp. in Tribal Areas

About POSHAN Abhiyan:

- POSHAN Abhiyan launched by the Prime Minister Narendra Modi on 8th March 2018 has reached a long way in ensuring wider people's participation.
- Poshan Abhiyan endeavours to improve nutritional outcomes in a holistic manner in convergence with other Ministries.
- Ministry of Women and Child Development will be the nodal Ministry for coordinating activities during the Poshan Pakhwada.
