Important News: India

President Kovind holds bilateral talks with his Turkmenistan

Why in News

- **President Ram Nath Kovind** and his Turkmenistan counterpart **Gurbanguly Berdimuhamedov** held delegation-level talks at Oguzhar palace Ashgabat and exchanged views on various regional and international issues.
- This is the first-ever visit of the President of India to independent Turkmenistan and comes just after the inauguration of new Turkmen President Berdimuhamedov.
- A postage stamp commemorating 30 years of establishment of diplomatic relations between India and Turkmenistan was also released.

Key Points

- India and Turkmenistan signed four agreements, including in financial intelligence and disaster management.
- The two leaders highlighted the significance of the International North South Transport Corridor (INSTC) and the Ashgabat Agreement on International Transport and Transit Corridor.
- President Kovind pointed out that the Chabahar port built by India in Iran could be used to improve trade between India and Central Asia.
- On the Turkmenistan-Afghanistan-Pakistan-India (TAPI) pipeline, President Kovind suggested that issues related to security of the pipeline and key business principles may be addressed in Technical and Expert level meetings.

Note:

- Turkmenistan is an important partner for India in the India-Central Asia Summit framework, the first of which India hosted virtually in January this year.
- President Kovind's trip to Turkmenistan will be followed by a state visit to the Netherlands from April 4-7 at the invitation of King Willem-Alexander and Queen Maxima.
