IPCC report on Mitigation of Climate Change

Why in News

- Welcoming the Summary of Policymakers (SPM) and the Working Group III (WG3) contribution to the Sixth Assessment Report (AR6) of the Intergovernmental Panel on Climate Change (IPCC) released on 4th April 2022, Minister for Environment, Forest and Climate Change, Bhupender Yadav said that the historical responsibility of developed countries for consuming the carbon budget is scientifically established by the report, and called for the need of taking deep and urgent global emissions reduction.

Key Points

- The Report dealing with climate change mitigation and international cooperation is a major contribution of IPCC to the global fight against climate change.
- It also states that public finance falls short of the Copenhagen (reiterated when the Paris Agreement was signed) goal of USD 100 billion per year by 2020.

In India:

- Further, at COP26 in November 2021 at Glasgow, United Kingdom, as the implementation of the Paris Agreement began, India reaffirmed its commitment to climate actions, including the goal of net zero by 2070.

About Intergovernmental Panel on Climate Change:

- It is the international body for assessing the science related to climate change.
- It was set up in 1988 by the World Meteorological Organisation (WMO) and United Nations Environment Programme (UNEP)

Sports Minister launches new rare chemical Reference Materials to strengthen anti-doping testing

Why in News

- The National Dope Testing Laboratory (NDTL) has indigenously developed six new and rare Reference Materials (RMs), which is the purest form of chemical required for anti-doping analysis in all WADA-accredited Laboratories across the world.
- The RMs were launched by the Union Minister of Youth Affairs and Sports, Anurag Singh Thakur during the 15th Governing Body Meeting of NDTL.

Key Points

- The six RMs have been developed in less than a year by NDTL in association with the National Institute of Pharmaceutical Education and Research (NIPER)-Guwahati and the CSIR-Indian Institute of Integrative Medicine (IIIM), Jammu.
- These Reference Materials are not readily available across the world but are needed by every WADA-accredited laboratory for their anti-doping analysis.
- India itself has been importing RMs from Canada and Australia.
