### India, again, 'Country of Particular Concern' on religious freedom grounds

### Why in News

- The **United States Commission on International Religious Freedom (USCIRF)** recommended, for the third year in a row, that **India** be designated a ‘**Country of Particular Concern**’ (CPC) in 2021, i.e., the category of governments performing most poorly on religious freedom criteria.

### Highlights of the Report:

- It was said in report that religious freedom conditions in India had “significantly worsened” in 2021.
- The report section on India said that the government had “repressed critical voices”, especially minority communities and individuals reporting on them.
- It mentions the arrest of rights activist Khuran Pervez in Kashmir, and the July 2021 death of octogenarian Father Stan Swamy, arrested in October 2020 under the Unlawful Activities Prevention Act (UAPA).
- The report touches on challenges faced by Non Governmental Organisations (NGOs), especially with regard to foreign funding. It also highlights anti-conversion laws.

### About United States Commission on International Religious Freedom (USCIRF):

- USCIRF is a U.S. federal government commission created by the International Religious Freedom Act of 1998.
- **Founded:** 28 October 1998
- **Headquarters:** Washington, D.C.
