1. India-US 2+2 Ministerial Dialogue

Why in News

- Defence Minister Rajnath Singh along with External Affairs Minister Dr S Jaishankar participated in the **4th India-USA 2+2 Ministerial Dialogue** on April 11, 2022 in Washington DC. Secretary of State Antony Blinken and Secretary of Defence Lloyd Austin represented the United States.
- All four high officials were present as Prime Minister Narendra Modi and President Joe Biden met virtually on April 11, ahead of the 2+2 dialogue.

Key Points

Dialogue with the US:

- The US is India's oldest and most important 2+2 talks partner.
- The first 2+2 dialogue between the two countries was held during the Trump Administration, when then Secretary of State Michael Pompeo and then Secretary of Defence James Mattis met the late Sushma Swaraj and then Defence Minister Nirmala Sitharaman in New Delhi in September 2018.
- The second and third editions of the 2+2 dialogues were held in Washington DC and New Delhi in 2019 and 2020 respectively.

Defence and strategic agreements:

- India and the US have signed a troika of “foundational pacts” for deep military cooperation, beginning with the Logistics Exchange Memorandum of Agreement (LEMOA) in 2016, followed by the Communications Compatibility and Security Agreement (COMCASA) after the first 2+2 dialogue in 2018, and then the Basic Exchange and Cooperation Agreement (BECA) in 2020.

2+2 talks between India and allies:

- The 2+2 dialogue is a format of meeting of the foreign and defence ministers of India and its allies on strategic and security issues.
- India has 2+2 dialogues with four key strategic partners: the US, Australia, Japan, and Russia. Besides Russia, the other three countries are also India's partners in the Quad.

4. National Time Release Study, 2022

Why in News

- Vivek Johri, Chairman, Central Board of Indirect Taxes and Customs (CBIC), released the **National Time Release Study (NTRS), 2022**.

Key Points

- NTRS 2022 is essentially a performance measurement tool for assessing the cargo clearance process of international trade, as recommended by the World Trade Organization (WTO) under the Trade Facilitation Agreement (TFA) and the World Customs Organization (WCO).
- NTRS covered 15 major Customs formations, including four port categories - seaports, air cargo complexes (ACCs), inland container depot (ICDs) and integrated check posts (ICPs), which handle about 80 percent of the bills of

Daily Current Affairs

entry (imports documents) and 70 percent of the shipping bills (export documents).

- The NTRS 2022 has reported further improvement in the average cargo release time for all the four port categories in 2022 over corresponding period of the previous year: by 2 percent for ICPs to significantly higher 16 percent for ACCs. For the sea cargo cleared through the sea port or inland container depots average release time has improved by 12 percent.
- With this improvement, the ICPs have achieved the National Trade Facilitation Action Plan (NTFAP) target release time to be achieved by 2023, whereas the other three port categories have reached 75 percent of NTFAP target.
