Important Days

World Refugee Day

- Every year June 20 is celebrated by the United Nations as World Refugee Day in the world.

- On 4 December 2000, a resolution was passed by the UNGA (United Nations General Assembly) to observe 20 June as World Refugee Day and for the first time, World Refugee Day was observed on 20 June 2001.
- World Refugee Day is celebrated as an opportunity to promote empathy and compassion for the suffering of refugees, as well as to honor their courage in rebuilding their lives.
- According to the convention organized by the United Nations in 1951, a refugee is one who has fled his home and country because of a deep fear of persecution because of his ethnicity, religion, nationality, membership in a specific social group, or political opinion.
- The theme of this year's World Refugee Day is 'The Right to Seek Security'.
