

Most Imp. Questions Fill in the Blanks

"Let off on situation" doesn't make sense either, hence option C can be eliminated as well.

To leave on a condition means to get the accused promise that he/ she will not commit something wrong again. Thus, 'condition' is the best-fit word and 'promise' is less appropriate.

17. Ans. E.

The first blank needs a verb in the singular form as the noun 'detective' is preceded by the article 'a'; so 'collects' is the only choice out of the five given options that would fit into the blank, making option E a correct response.

18. Ans. B.

The auxiliary verb after the first blank suggests that the subject in the blank should be plural. Therefore, "problems" will be the most appropriate. The usage of "areas" will not fit in the context of the sentences. Thus, B represents the best combinations.

19. Ans. A.

Urbanized means make or become urban in character.

Synthesized means make (something) by synthesis, especially chemically.

Civilized means polite and good-mannered.

Convenience means the state of being able to proceed with something without difficulty.

Concretized means make (an idea or concept) real; give specific or definite form to.

The first blank refers to the context of development in terms of international standards of which industrialized and internationalized are two attributes. Of the given options, urbanisation is another similar attribute associated with development and thus is the only relevant option. 'Role' meaning 'the function assumed or part played by a person or thing in a particular situation' also fits in the context of the second blank. Thus, option A is the most appropriate response.

20. Ans. B.

The context is a gunfight and thus 'getting shot' will be a better phrase. Using this logic option B is the only

appropriate solution. Hence option B is correct.
