NITI Aayog: Maharashtra, Andhra Pradesh, and Gujarat top states in implementing the Poshan Abhiyan scheme

Why in News:

- Maharashtra, Andhra Pradesh, and Gujarat have been ranked as the top three states among large states in terms of the overall implementation of the Centre's flagship POSHAN Abhiyaan, according to a NITI Aayog report.

key points:

- According to the report published by NITI Aayog, Sikkim has performed best among smaller states.
- According to the report titled Poshan Abhiyaan in the Time of Pandemic, 12 out of 19 large states have implementation scores above 70 percent.

- According to the report released by NITI Aayog, Dadra and Nagar Haveli and Daman and Diu have topped the Union Territories (UTs).
- As per the report, Punjab and Bihar are the least-performing states among the large states in terms of the overall implementation of POSHAN Abhiyaan.
- According to the report, in 17 states and union territories, more than 75 percent of children aged 12-23 months were fully immunized, while in 11 states and union territories less than 25 percent were fully immunized.
- As per the report, more than 75 percent (0-59 months) of diarrhea cases in 16 states and union territories were treated with ORS, while 5 states and union territories reported less than 25 percent of child diarrheal cases with ORS. cases have been treated.
- As per the report released by NITI Aayog, the total fund utilization under POSHAN Abhiyaan has been reduced, with less than 50 percent fund utilization in 23 states and union territories.
- The report suggested that it is necessary to conduct a Convergence Action Plan (CAP) with the help of which convergence is result-oriented and interventions in all sectors reach the target beneficiaries.

Digital India Mission: Uttar Pradesh tops in use of e-prosecution portal

Why in News:

- Uttar Pradesh, with 9.12 million cases, is at the top in the number of disposal and submission of cases through the e-prosecution portal managed by the central government under the Digital India Mission.

key points:

- As of the end of August, Madhya Pradesh is second with 2.31 million, followed by Bihar and Gujarat.
- The e-prosecution portal launched by the states two years ago is an initiative of the Ministries of Home Affairs, IT, and Law to help the courts and the prosecution system to expedite criminal prosecution in heinous crimes.
- The portal provides e-communication between the Police Department and the Directorate of Prosecution under the Inter-operable Criminal Justice System (ICJS) which enables the transfer of data between courts, police, prisons, and forensic science laboratories.
- According to the latest data, the state of Uttar Pradesh also tops in cases related to crime against women and cybercrime as well as in cases related

to Indian Penal Code (IPC) incidents involving conviction and seizure of illegal firearms.

- The Uttar Pradesh government aims to achieve the punishment of 1,000 convicts and crimes against women under the POCSO Act in 100 days.
- The e-prosecution mobile app is also being developed by the government which will involve digitization of all judicial processes of prosecutors in courts.
- The objective of the e-prosecution portal is to monitor the progress of the officers in all the districts to maintain continuous progress in the prosecution of important cases and thus instill a sense of confidence among the people.

'Jail Ka Khana' in Farrukhabad, UP gets a 5-star FSSAI rating

Why in News:

- Fatehgarh Central Jail in Uttar Pradesh's Farrukhabad district has been accorded a five-star rating by the Food Safety Standards Authority of India (FSSAI) for the quality of food served to inmates.

key points:

- The jail has been awarded a five-star 'Eat Right Certificate' by a third-party audit empaneled by FSSAI.
- It is a recognition of the quality and hygiene of the food, which means that quality food items are being provided to the prisoners in the jail.
- As per FSSAI's "Eat Right" accreditation, 1,100 inmates in Farrukhabad Jail are provided clean and healthy food.
- The jail administration has modernized it by installing large roti-making machines, dough kneading, machines, and machine-cutters for vegetables, earlier the help of prisoners was taken in preparing roti, vegetables, and pulses.
- Earlier it was time-consuming as it was a manual process and about 50 prisoners were employed to prepare the food for each shift.
