Italy PM election: Giorgia Meloni elected as First woman PM of Italy

Why in News:

- Giorgia Meloni has been elected the first female PM of Italy to lead a conservative coalition.

key points:

- Giorgia Meloni will take over from Prime Minister Mario Draghi, the former head of the European Central Bank who pushed Rome during his 18-month tenure at the center of EU policymaking, establishing close ties with Paris and Berlin.
- Italian far-right leader Giorgia Meloni has topped the party in the general elections.
- Giorgia Meloni is an Italian politician and journalist born on 15 January 1977.
- Giorgia Meloni's father came from Sardinia and her mother was from Sicily.

- In 1992 at the age of 15, Meloni joined the Youth Front, the youth wing of the neo-fascist Italian Social Movement (MSI).
- Subsequently, in the year 1996, he received a diploma from the Amerigo Vespucci Institute.
- He also served as a youth minister in Berlusconi's 2008-2011 government, before the founding of the Brothers of Italy in 2012 by Giorgia Meloni.
- The capital of Italy is Rome, and its official currency is the Euro.

Ministry of Rural Development Launches the JALDOOT App

Why in News:

- JALDOOT App and JALDOOT App e-brochure launched by Faggan Singh Kulaste, Minister of State for Rural Development and Steel, in the presence of Union Minister Sadhvi Niranjan Jyoti and Minister of State for Panchayati Raj, Kapil Moreshwar Patil.

key points:

- Gram Rozgar Sahayak will be able to measure well water level before and after monsoon twice a year by using this app.
- A central digital database for systematic groundwater level data collection and analysis will be amended to use the JALDOOT App.
- Despite efforts to promote measures such as watershed development, afforestation, water body development and maintenance, and rainwater harvesting, groundwater levels have declined in many parts of the country.
- With the help of JALDOOT App, it will be easy to monitor the water level across the country, and the collected information can be used for Mahatma Gandhi NREGA Schemes and Gram Panchayat Development Schemes.
- This JALDOOT app will be used throughout the country to record the water level of selected one to three wells of a village.
- The pre-monsoon water level in the open wells will be measured manually from May 1 to May 31 and the post-monsoon level for the same well will be monitored manually from October 1 to October 31.
- Both online and offline use of JALDOOT mobile application is supported.

Cochin International Airport awarded ASQ award for 'Mission Safeguarding

Why in News:

- Cochin International Airport Limited (CIAL) has been awarded the Airport Service Quality (ASQ) Award 2022 by the Airports Council International (ACI).

key points:

- The award is considered the highest honor in the global aviation sector.
- The awards have been presented in the 5-15 million passenger category of airports operated by CIAL in the Asia-Pacific region.
- The award is for the implementation of the 'Mission Safeguarding' programme, which has ensured seamless traffic and enhanced passenger satisfaction post-pandemic.
- Due to extensive survey methodology practices, the ACI Award is recognized as the highest honor in the global aviation sector.
- The ASQ global airport survey through which award winners are selected, showcases the world's best airports, voiced by travelers.
- This time, along with the existing benchmark, new parameters related to sanitation practices have been added.
- As the industry improves, listening to and adapting to passengers is critical to strengthening airports' competitive advantage, and non-aeronautical revenues and ensuring the continued recovery of the entire aviation ecosystem.

Important Days

World Rabies Day 2022

Why in News:

- World Rabies Day is observed every year on 28 September as a tribute to Louis Pasteur.

key points:

- World Rabies Day is celebrated in the memory of Louis Pasteur, who is known as the inventor of the first effective rabies vaccine in the world.
- World Rabies Day is celebrated to promote the fight against rabies, raise awareness about its prevention and celebrate the world's achievements against this deadly disease.
- Rabies is a deadly but preventable viral disease that is spread to people through the saliva of infected animals.
- It is usually spread through animal bites from stray dogs or dogs that have not been vaccinated.

- According to the World Health Organisation, the theme of World Rabies Day 2022 is 'Rabies: One Health, Zero Death'.
- For the first time the World Rabies Day campaign was started in the year 2007.
- The campaign began as a partnership between several organizations, including the Alliance for Rabies Control and the Centers for Disease Control and Prevention in Atlanta.
- After three consecutive years of celebrating World Rabies Day, it was estimated that prevention and awareness programs took place in over 100 countries and more than 100 million people were educated about the dangers of rabies.

International Day for Universal Access to Information 2022

Why in News:

- 28 September has been declared by the United Nations Educational, Scientific and Cultural Organization (UNESCO) as the International Day for Universal Access to Information.

key points:

- The 2022 edition of the International Day for Universal Access to Information (IDUAI) provides an opportunity to discuss e-governance and artificial intelligence with a view to ensuring the right to information.
- Universal access to information means that everyone has the right to access and provide information for healthy and inclusive knowledge societies.
- The theme of the 2022 Global Conference on Universal Access to Information is "Artificial Intelligence, e-Governance and Access to Information".
- International Day for Universal Access to Information will be organized this year in Tashkent, Uzbekistan.

- The International Day for Universal Access to Information will include a high-level inauguration this year with international experts and an Inter-Ministerial Roundtable on Access to Information and Artificial Intelligence.
- The International Day for Universal Access to Information also upholds the idea of upholding human rights and, at the same time, it raises awareness of the importance of freedom of information.
- On 17 November 2015, 28 September was declared by the United Nations Educational, Scientific and Cultural Organization (UNESCO) as the International Day for Universal Access to Information.
