## Important News: International

### 1. The Solomon Islands blocked all foreign naval ships

#### Why in News:

- The Solomon Islands forbid American ships from docking in their ports.

#### Key Points:

- In their ports, the Solomon Islands have enforced moratoria on US Navy ships.
- Since a deal with China in May, relations between the Solomon Islands and the US and its allies have become tense.
- According to the agreement, Solomon gave anchorage for the ships of the Chinese Navy.
- East of Papua New Guinea in Melanesia, the Solomon Islands is a country made up of more than 990 islands.
- Honiara, on the island of Guadalcanal, serves as the capital of the Solomon Islands.
- A subregion of Oceania in the southwest Pacific Ocean, Melanesia is made up of a double chain of volcanic islands and atolls.
- With the exception of Buka and Bougainvillea, which form the northwest corner of an autonomous area known as Papua New Guinea, the country includes the majority of the Solomon Range.
- A governor-general, who acts as the ceremonial head of state, represents the British monarch in the constitutional monarchy of the Solomon Islands.

### 3. University Grants Commission to launch 'e-Samadhan' portal for grievance redressal

## Why in News:

- All grievances of students and staff in universities will be monitored and resolved by the University Grants Commission (UGC)

through a centralized portal called 'e-Samadhan'.

## key points:

- According to the University Grants Commission, e-Samadhan ensures transparency, prevents unfair practices in higher education institutions, and also provides a time-bound mechanism for the redressal of grievances.
- This new portal e-Samadhan has been developed by the University Grants Commission by merging its existing portals and helplines except for the Anti Ragging Helpline.
- UGC e-Samadhan, to serve the stakeholders, will be a single window system for all the stakeholders to register their grievances on the portal which will be available at all times at the click of the mouse.
- Under the e-Samadhan portal, a toll-free number 1800-111-656 will also be available 24×7 on the website of the UGC, wherein grievances can be lodged by the stakeholders on any issue faced them.
- The University Grants Commission aims to benefit about 38 million students through the e-Samadhan portal.
- The University Grants Commission covers a vast and comprehensive stakeholder structure comprising 1043 universities, 42343 colleges, 3.85 crore students, and 15.03 lakh teachers.
- The University Grants Commission was established in the year 1956 and the headquarter of the commission is located in New Delhi.
- Mamidala Jagdish Kumar is the chairman of the University Grants Commission.
