The overall difficulty level of Slot 3 of SNAP 2021 was Moderate. The exam pattern and the level of difficulty were similar to Slot 1 and Slot 2 of SNAP 2021. Questions from the QA section were found to be relatively easier than the previous two Slots. GE section was relatively difficult than the previous 2 slots. DI questions from the QA section were found to be a bit challenging.

SNAP 2021 Exam Analysis (Section-Wise)

SNAP General English Paper Analysis 2021- Slot 3 (16 January 2022)

The General English section had a total of 15 questions. The Slot 3 overall difficulty level of this section was Easy to Moderate. Slot 1 and Slot 2 of the General English were of Easy level of difficulty. Fill in the Blanks, Idioms, and Error Spotting dominated this section. Similar to the previous two slots, Slot 3 also had a question on Poems. It was interesting to note that the question was on the poem Daffodils which was earlier asked in Slot 2 of SNAP 2021. However, the question on the poem was changed and it was on Preposition.

It was seen that in Slot 3 the question on Parts of Speech was a bit tricky as it consisted of words of Old English. The question asked was "Napoleon said while ..." Able was I ere I saw Elba".

It was interesting to note that the question on Voice was "Which of the following cannot be converted to passive voice"? thereby making the question a bit tricky.

The topic-wise breakup of the General English Section of Slot 3 of SNAP 2021 is given below:

Topic	Number of Question	Level of Difficulty
Daffodils Poem (Preposition)	1	Easy
Para Jumbles	1	Easy
