Delhi Police Constable Syllabus (English)

Delhi Police Constable Exam Pattern

Candidates who apply for this position will have to go through a two-stage selection procedure. The Delhi Police Constable Selection Process 2023 will be based on the following criteria:

- The computer-based test will be worth 100 points and will include questions about General Knowledge/Current Affairs, Reasoning, Numerical Ability, and Computer Awareness.
- All of the questions will be objective in nature, and the applicant will have one and a half hours to complete them. All questions will be worth one point, with a negative marking of 0.25 for each incorrect response.
- The examination will be administered in both English and Hindi. The Delhi Police Constable Exam Pattern 2023 may be seen in the table below

Subjects	Total Questions	Marks	Test Duration
Reasoning	25	25	
GK/ Current Affairs	50	50	
Numerical Ability	15	15	1 Hour 30 Minutes
Computer Knowledge	10	10	
Total	100	100	

Note: Candidates from the General Category who score 35 percent of the marks, SC/ST/OBC/EWS applicants who receive 30 percent of the marks, and Ex-servicemen who obtain 25 percent of the marks in the Computer Based Examination would only be eligible for short-listing for the Physical Test.
