The selection list for each state was given on the website from 1.5.2010. The same selection list is given state wise in the order of merit for each category. The marks of all the candidates are also given along with the others who did not get selected in the final list due to lower merit in their category.

The subject wise marks of written test of all candidates is made available on the website. The marks will be displayed for each subject on a score of 50 since there were 50 questions. Please refer the following table to arrive at the Total Weighted Score.

The following is the marks / weightage allotted for each subject:

1	2	3	4
		Weightage	TWS
a	TR - Test of Reasoning(50 questions)	2 x 50	100
b	NA - Numerical Ability(50 questions)	2 x 50	100
c	OW - Office Work aptitude(50 questions)	1.5 x 50	75
d	TWS - Total Weighted Score	a + b + c	275
e	DES - Data Entry Speed Score	-	50
f	Total	d + e	325
g	EN - English (only qualifying) on 50 marks( for50 questions)		

## Procedure of Data Entry Speed Score (DES)

The minimum required data entry speed is 5000 key depressions / hour. Candidates with data entry speed of less than 5000 key depressions / hour are not assigned any marks. Candidates with Data Entry Speed of 5000 key depressions / hour will be assigned a score of 50% (25 marks). The speed of the highest achiever, (say 'x') will be assigned a score of 90% (i.e. 45 marks out of 50). Therefore, to transform the Data Entry Speed of any other candidate (say 'y') into 'out of 50' marks, the following formula is used:

$$DES = 25 + (y-5000) / (x-5000) \times 20.$$

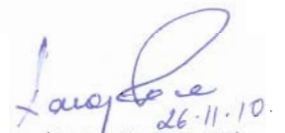

The highest achievers Data Entry Speed of the SSA exam conducted in 2009 is 20223.

**The total of TWS and DES is taken for making the merit list for final selection.**

The abbreviations used are:

SC -Scheduled Caste  
ST- Scheduled Tribe  
OBC-Other Backward Caste  
GEN/GL- General  
XS- Ex-servicemen  
OH-Orthopedically Handicapped.  
PH-Persons with Disabilities

Many letters / RTI applications are received asking for "cut off" for selection. The selection is separate for every state. The selection lists displayed are in order of merit in their respective category / state. Please refer to the marks displayed (which is in order of merit) to know the score of the last selected candidate under any particular category / state.
