

SSC JE

Complete Cut Off Details

SSC JE final Cut Off 2022 has been released by the authorities for the Junior Engineer post. Candidates who appeared in the paper 2 exam can check the cutoff marks to determine the minimum marks required to pass the exam. SSC JE cutoff trends help aspiring candidates plan their study strategies accordingly. This will help the candidates to set reasonable goals for themselves for the upcoming exam.

SSC JE Cutoff is published on the official website soon after the release of SSC JE Paper 1 & 2 result. The cutoff for Civil, Electrical and Mechanical is released to shortlist the candidates for the vacant posts. More details on SSC JE previous year cutoff are provided below so that candidates can get a better understanding of the exam.

SSC JE Cut Off 2022

SSC JE Cut off 2022 is the minimum marks required to qualify the exam. **SSC JE exam** is divided into two parts: tier 1 and tier 2. We have updated the latest SSC JE cut off as it is available now on the official website. It has been provided to help candidates evaluate their performance.

SSC JE 2022 cutoff has been decided by the concerned authorities based on the total vacancies, number of candidates who qualified the exam, etc. The

final cut off for SSC JE is determined by combining the marks from SSC JE tier 1 and tier 2. The cutoff has been released along with the **SSC JE result**. Thus, SSC JE paper 1 and paper 2 are both important in determining the candidates' merit list.

SSC JE Civil Cutoff 2022 for Tier 1

The cutoff marks for the civil engineering SSC JE Tier 1 exam are available now. Candidates can check the category-wise cutoff for SSC JE civil tier 1 exam in the table given below:

Category	Cut-off Marks
UR	110.57030
OBC	107.99557
SC	86.36518
ST	86.32846
EWS	89.08591
OH	80.28183
HH	40.00000
Others PwD	40.00000

SSC JE Previous Year Cut Off

SSC JE previous year cut off will help candidates determine the marks required to pass the exam. Learn the SSC JE cut off for 2021, 2020, 2019, 2018, and 2017 in this post to estimate the marks needed to participate in the **SSC JE selection process**.

We have provided the SSC JE Cutoff for the Civil, Electrical, and Mechanical Engineering Exams in this post to assist candidates with the exam. For Papers 1 and 2, the SSC JE year-wise cutoffs are included in this post. They must be aware of the following before we discuss the SSC JE previous year cut off:

- There is no sectional cut off for SSC JE exam for paper 1 and paper 2.
- There is only an overall cut off for SSC Junior Engineer exam.
- In case, the SSC JE exam is conducted in multiple shifts, then the normalization process will be used.
- SSC JE Paper 1 cut off is out of 200 marks.
- SSC JE paper 2 is for 300 marks.
- Thus, the final cut off is calculated by adding the marks obtained by you in SSC JE paper 1 and paper 2 combined, i.e. 500 marks.

Also Check, **SSC JE Admit Card**

Previous Year SSC JE Cut Off 2020-21

Candidates should be aware of the minimum score that is SSC JE cutoff required to pass the exam if their goal is to become a Junior Engineer. The concerned body of the Staff Selection Commission separately announces the cutoff scores for Civil, Mechanical, and Electrical. In order to create a good study plan, candidates should take a look at it.

2012	139	99	79	67	67	63

Factors Determining SSC JE Cut Off

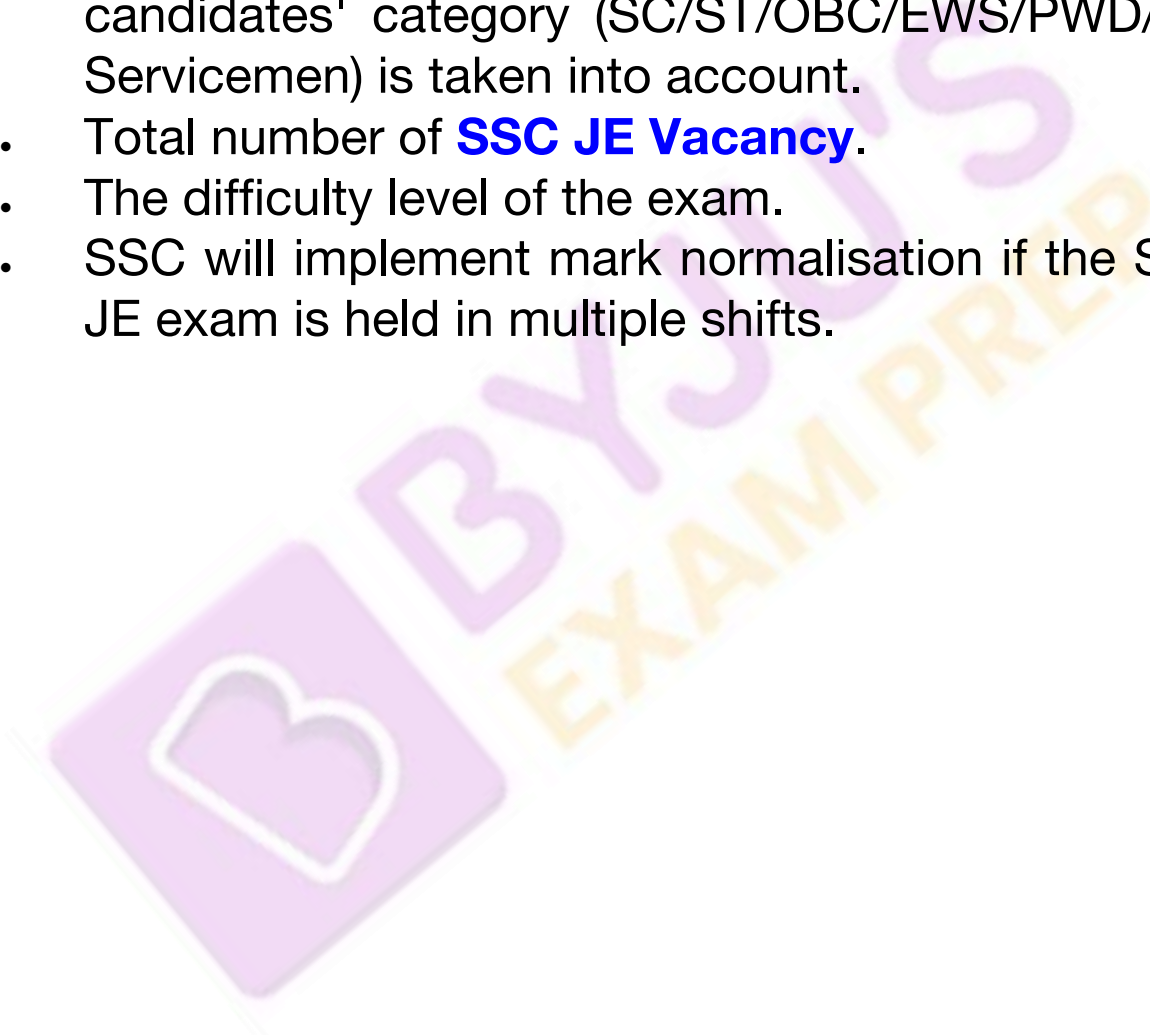

SSC JE cut off is determined by a number of factors that influence candidate selection. It is important to

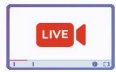

note that the SSC Junior Engineer cut off for Paper 1 and Paper 1+2 has been released (combined).

- The total number of candidates who took the exam.
- When calculating the cut off marks for SSC JE, the candidates' category (SC/ST/OBC/EWS/PWD/Ex-Servicemen) is taken into account.
- Total number of **SSC JE Vacancy**.
- The difficulty level of the exam.
- SSC will implement mark normalisation if the SSC JE exam is held in multiple shifts.
