AAI ATC Eligibility Criteria 2023

AAI ATC eligibility criteria are provided in the official notification that is released by the Airport Authority of India. Candidates who wish to fill out the **AAI JE ATC application form** must first check and confirm their eligibility. In order to be considered eligible for various positions like JE, Manager, and Senior Assistant, candidates must fulfill the requirements including age, education, nationality, and others.

Read the details below to determine whether candidates who are interested in applying for open positions meet the AAI ATC 2023 eligibility criteria and can submit the application form.

AAI ATC Nationality

Only Indian citizens who meet the eligibility can apply for the recruitment. Applications from candidates who do not hold Indian citizenship will not be considered and they are not eligible for participating in the **AAI ATC recruitment 2023** under any circumstances.

AAI JE ATC Educational Qualification 2023

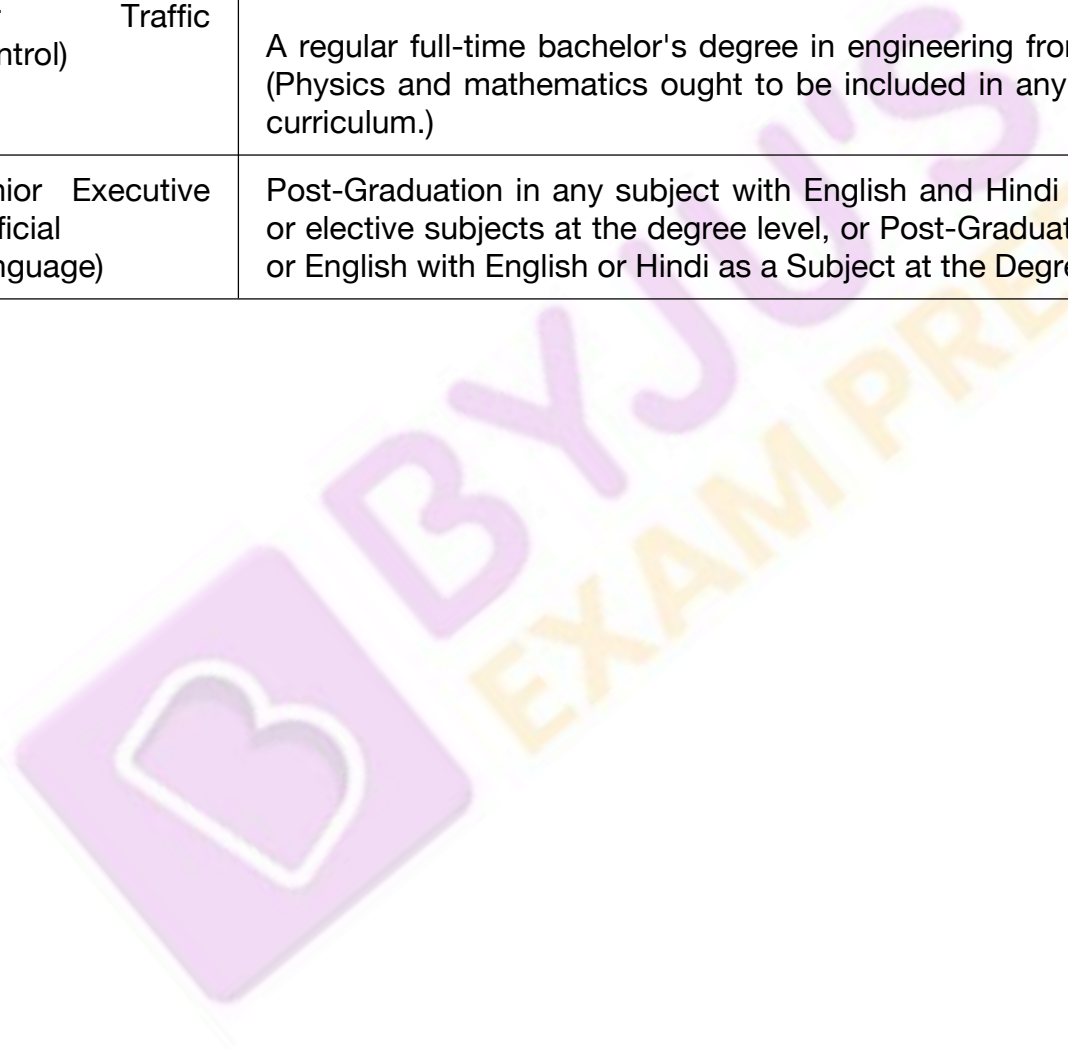

Candidates seeking to participate in the recruitment exam must meet the educational qualification criteria outlined in the notification. The educational

qualification of AAI JE ATC differs depending on the position, as shown in the table below.

Post	Educational Qualification
Junior Executive (Air Traffic Control)	A three-year, full-time, regular bachelor's degree in science (B.Sc.) with Mathematics and Physics OR A regular full-time bachelor's degree in engineering from any field. (Physics and mathematics ought to be included in any semester's curriculum.)
Junior Executive (Official Language)	Post-Graduation in any subject with English and Hindi as required or elective subjects at the degree level, or Post-Graduation in Hindi or English with English or Hindi as a Subject at the Degree Level.

AAI ATC Age Relaxation

There is a provision for age relaxation for the reserved category candidates. It allows the candidates to apply for the exam even if they are not meeting the general age limit criteria. Following are the details related to age relaxation in AAI ATC:

- For SC/ST candidates and OBC (non-Creamy layer) candidates, the upper age limit is relaxed by 5 years and 3 years, respectively.
- For PWD candidates, the upper age limit is relaxed by 10 years supported by a certificate of disability issued by the appropriate authority on or before 21 January 2024.
- For applicants who are currently employed full-time by AAI, the upper age limit for them is relaxed by 10 years.
- Age relaxation up to the age of 35 years for the post of Senior Assistant for widows, divorcees, and women who have been legally separated from their husbands but have not remarried.

AAI ATC Experience

Work experience is the knowledge an employee acquires through employment in a particular position, industry, or profession. The following information is

provided about the work experience required for the various positions:

Post	Experience
Junior Executive (Air Traffic Control)	Not required
Junior Executive (Official Language)	A two-year translation background, preferably in technical or scientific literature, from English to Hindi and Hindi to English is required.
Manager (Official Language)	Technical or scientific literature translation experience, preferably from Hindi to English and from English to Hindi. Out of which, 05 years of experience as an officer of any office of the federal or state governments, including public sector enterprises, in the field of Raj Bhasha.
Senior Assistant (Official Language)	Two years of experience translating from English to Hindi or vice versa in a central or state government office, as well as in reputable organisations or Government of India undertakings.
