AAI Junior Executive Service Bond

The candidates selected for the post of AAI Junior Executive (ATC) shall have to execute a surety bond for a number of Rupees Seven Lakhs and Rupees Five Lakhs respectively to serve the Airports Authority of India for a period of 03 years after completion of training.

AAI Junior Executive ATC Job Profile

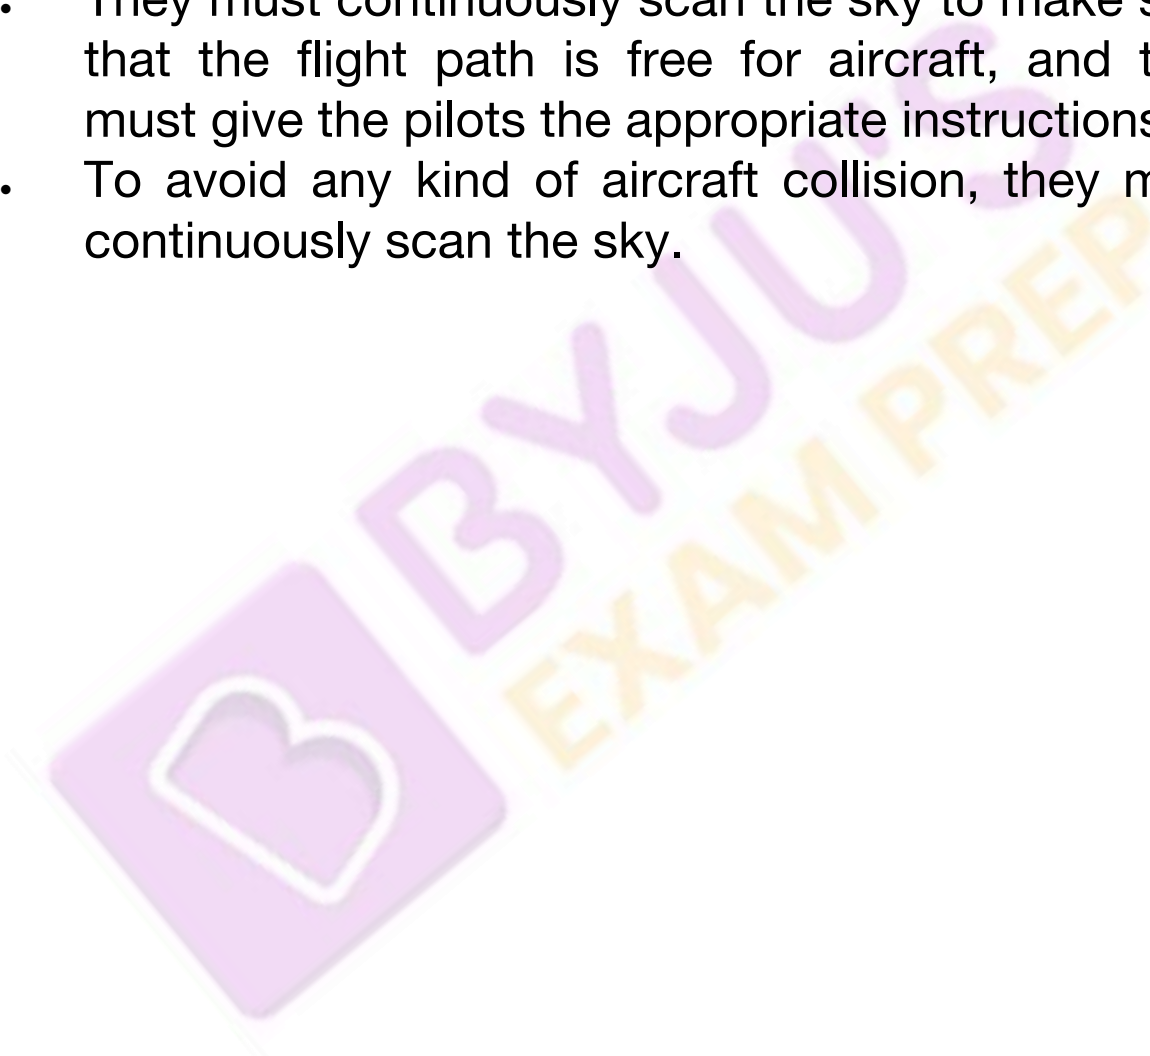

AAI Junior Executive (Air Traffic Control) is a well-paying but demanding position. Candidates must also be willing to work 12-hour shifts with limited vacation time. AAI junior executives work five days a week, but the nature of their work requires them to work on public holidays as well. They must also work 12-hour night shifts on occasion. As a result, it is critical to consider these factors prior to applying for the position. To help you better understand the position, we've listed a few AAI junior executive job roles below.

- The primary duty of junior ATC executives, who have received the appropriate training, is to supervise and manage incoming and outgoing air traffic at the airport.

- Senior officers oversee their work as they learn regional and overall ATC protocols.
- They have to make sure that every flight departs on time and that any delays are made known to everyone.
- They must continuously scan the sky to make sure that the flight path is free for aircraft, and they must give the pilots the appropriate instructions.
- To avoid any kind of aircraft collision, they must continuously scan the sky.
